

Roll of Victory

► Midyear point standings for the 2001-2002 ROV show program

Association announces midyear standings

The American Angus Association has announced the midyear point standings for the 2001-2002 Roll of Victory (ROV) Show Program. The 2001-2002 ROV circuit began in late July with the All-American Angus Breeders' Futurity in Louisville, Ky.

Designated shows

Five shows are designated super-point shows: the American Royal in Kansas City, Mo.; the Atlantic National in Timonium, Md.; the National Western Stock Show (NWSS) in Denver, Colo.; the North American International Livestock Exposition (NAILE), in Louisville, Ky.; and the Western National Angus Futurity (WNAF) in Reno, Nev.

Recognized point shows include the All-American Angus Breeders' Futurity in Louisville, Ky.; the California State Fair in Sacramento, Calif.; the Dixie National in Jackson, Miss.; the Georgia National Fair in Perry, Ga.; the Mid-South Fair in Memphis, Tenn.; the Northern International Livestock Exposition (NILE) in Billings, Mont.; the Oregon State Fair in Salem, Ore.; the Southwestern Exposition & Livestock Show in Fort Worth, Texas; and the Western Idaho Fair in Boise, Idaho.

Accumulating points

Points awarded for winning at these shows are graduated according to placings. To view the point schedule, visit www.angus.org/shows/shows_pt_schedule.html on the Association Web site.

Points are accumulated throughout the course of the show year, which begins June 1 and ends May 31 of the following year. An animal's two highest super-point earnings and two highest recognized-point earnings are totaled for show bull and show heifer of the year honors and division champion awards. Division champion and reserve champion placings count only toward division champion of the year. First place counts only toward show bull, show heifer, sire, dam and breeder of the year.

Shows are permitted to split standard division championships of the American Angus Association classifications into early and late championships only. If a championship division is split,

championship points will be split accordingly.

The ROV Program gives attention to the individual show-winning animals, rather than entirely to their sires and dams. Sires of major award winners receive continued recognition. The program also gives attention to the winners, plus sires and dams of winners, on an annual, current-year basis, instead of an accumulation of points over many years.

Following are the tabulations — with animal name and accumulated points by division — for the first nine shows of this show year. To monitor standings throughout the show year, visit www.angus.org/shows/shows_rov.html on the Internet. For more information about the ROV program, contact the Activities and Junior Activities Department at (816) 383-5100 or e-mail lcampbell@angus.org.
