

ROLL OF VICTORY SHOW WINNERS

Champions in the ring received recognition.

by Amber Wahlgren, American Angus Association

The Angus breed is often associated with a tradition of excellence in the show ring. That tradition rang true again in 2023 and was celebrated by Association members.

In 1984, the American Angus Association created the Roll of Victory (ROV) Show Program to recognize show-winning animals, their sires, dams, breeders and owners on a per-year basis.

“The 2022 to 2023 ROV show program included 20 shows across the country. The ROV program continues to showcase the top Angus cattle in the country as they compete for top honors every year,” says Caitlyn Brandt, director of events and junior activities. “We congratulate the winners on their achievements.”
