A team of three judges evaluated the largest Angus show ever assembled at the North American International Livestock Exposition (NAILE) during the 1992 National Angus Super Roll of Victory (ROV) Show held in Louisville, November 18-19. The three-man team included Bill Couch, Owensville, Ind.; David Hawkins, East Lansing, Mich.; and Vance Uden, Franklin, Neb.

Held at the Kentucky Fair and Exposition Center, the show was also the largest National Angus Show in recent memory. With Angus entries totaling 269, the National ROV Point Show was attended by exhibitors from throughout the United States.

Whitestone Krebs, Gordon, Neb., walked away the show's top winner by exhibiting the national grand champion bull, the national grand champion female, and first place get-of-sire and junior get-of-sire groups.

Da Es Ro Casey 629, owned with Eric Schultz, Letts, Iowa, was Whitestone Krebs' grand champion bull. First named the senior champion, this bull is an April '89 son of Brost Power Drive. He weighed in at 2,674 pounds for a weight per day of age (WDA) of 2.81 pounds.

Whitestone Krebs' grand heifer winner was Honey Bears Sophie owned with Gretchen Hilmes, Flora, Ill. The heifer took top honors against 200 head of Angus females after topping the intermediate division. She is a May '90 daughter of Fairfield Dark Star P57.

The reserve grand champion bull was PF Hamilton 9H24 owned by Premier Angus, Cloverdale, Ind.; Forsythe Cattle Co., Marshall, Ill.; Dawn Henley of Oakdale, Calif.; and International Breeding Centers Inc., Spencer, Ind. The bull first won reserve senior champion honors. He weighed in at 2,670 pounds with a 2.71-pound WDA. He is a March '89 son of Skarship Saratoga.

The reserve grand champion heifer was the junior division winner exhibited by R&J Ranch, Briggs, Texas. She is R&J Lindsey 510, a Feb. '90 daughter of R&J Extraordinary 1345.
