

Midyear Roll of Victory status

At their June 1998 meeting the American Angus Association Board of Directors called for the publishing of midterm Roll of Victory (ROV) standings. The 1998-99 ROV Show Program began with the All-American Angus Breeders Futurity in August. The 14 designated shows are as follows:

Super Point Shows

North American International Livestock Expo (NAILE), Louisville, Ky.
National Western Stock Show, Denver
Western National Angus Futurity, Reno, Nev.
Atlantic National Angus Show, Timonium, Md.

Recognized Point Shows

All-American Angus Breeders Futurity, Louisville, Ky.
Western Idaho Fair, Boise
Oregon State Fair, Salem
Mid-South Fair, Memphis, Tenn.
Georgia National Fair, Perry
Northern International Livestock Expo (NILE), Billings, Mont.
Grand National, San Francisco, Calif.
American Royal, Kansas City, Mo.
Southwest Exposition & Livestock Show, Fort Worth, Texas
Dixie National Livestock Show, Jackson, Miss.

Points awarded for winning at these shows are graduated according to placings and are accumulated throughout the course of the show year, which begins June 1 and ends May 31 of the following year. An animal's highest two Super ROV point earnings and highest two Recognized Show point earnings are totaled for Show Bull and Show Heifer of the Year and division champion awards.

Division champion and reserve champion placings count only toward Division

Champion of the Year: First place counts only toward Show Bull, Show Heifer, Sire of the Year and Dam of the Year.

Shows are permitted to split standard division championships of the American Angus Association classifications into early and late championships only. If a championship division is split, championship points will be split accordingly.

The ROV Program gives attention to the individual show-winning animals, not just their sires and dams. The program gives attention to the winners, plus sires and dams of winners, on an annual, current-year basis instead of an accumulation of points over many years.

Listed on the following pages are the tabulations for the first nine shows this year.
