

ROLL OF VICTORY STANDINGS

Compiled by Kasey Brown, special projects editor

The American Angus Association's Roll of Victory (ROV) Show Program recognizes individual show-winning animals, as well as the sires and dams of winning animals.

Points are accumulated at designated point and Super-Point shows for the ROV show year, which runs June 1 through May 31 each year. A leader board, including point leaders for each show division, is maintained on the Association's website, along with an explanation of how points are earned.

Current point standings for the American Angus Association 2017-2018 ROV Show Program are available online at www.angus.org/Show/ShowRovStandings.aspx. Following are the tabulations, with the rank, animal name and accumulated points by division as of Jan. 1, 2018, for the first 14 shows of the 2017-2018 show year.
