

ROLL OF VICTORY STANDINGS

Compiled by Heather Lassen, special projects editor

The American Angus Association's Roll of Victory (ROV) Show Program recognizes individual show-winning animals, as well as the sires and dams of winning animals.

Points are accumulated at designated point and Super-Point shows for the ROV show year, which runs June 1 through May 31. A leaderboard, including point leaders for each division, is maintained on the Association's website, along with a

detailed explanation of how points are earned.

Current point standings for the American Angus Association 2018-2019 ROV Show Program are available online at www.angus.org/Show/ShowRovStandings.aspx.

Following are the tabulations, with the rank, animal name and accumulated points by division as of Jan. 1, 2019, for the first 14 shows of the 2018-2019 show year.
