

ROLL OF VICTORY STANDINGS

Compiled by Heather Lassen, special projects editor

The American Angus Association's Roll of Victory Show Program recognizes individual show-winning animals, as well as the sires and dams of winning animals.

Points are accumulated at designated point and Super-Point shows for the Roll of Victory (ROV) show year, which runs June 1 through May 31. A leader board, including point leaders for each division, is maintained on the

Association's website, along with a detailed explanation of how points are earned.

Current point standings for the American Angus Association 2020-2021 ROV Show Program are available online at www.angus.org/Show/ShowRovStandings.aspx.

Following are the tabulations, with the rank, animal name and accumulated points by division as of Dec. 22, 2020, for the first five shows of the 2020-2021 show year.
