

ROLL OF VICTORY STANDINGS

Compiled by Lea Ann Maudlin,
American Angus Association

The American Angus Association's Roll of Victory Show Program recognizes individual show-winning animals, as well as the sires and dams of winning animals.

Points are accumulated at designated point and Super-Point shows for the Roll of Victory (ROV) show year, which runs June 1 through May 31. A leader board, including point leaders for each division, is

maintained on the Association's website, along with a detailed explanation of how points are earned.

Current point standings for the American Angus Association 2023-2024 ROV Show Program are

available online at www.angus.org/Show/RovStandings. Following are the tabulations, with the rank, animal name and accumulated points by division as final standings for the 2022-2023 show year.
