SAFETY ZONE™

CALF CATCHERS

A Cowman's Best Friend at Calving Time!

Designed for Processing Safety...

- Enables quick and safe calf catching!
- Convenient, step in access of producer!
- Holder secures calf for easy processing!
- User-friendly inside release of calf to cow!
- Move calves easier with cow following!
- Less cow stress, mother can see and smell calf!
- Reduces danger while working new calves!
- Quick Mount/Dismount on both ATV & UTVs!

Now available with a digital scale!

ONE PERSON can now SAFELY and EASILY process calves without concern of the protective mother cow!

Andy Downs, MT -
"Best investment we ever made! Easy on the calves and great for the cows too. We rave about the calf catcher to everyone! We are more than just satisfied."
 Jim Anderson, DVM, MS -
"I use my ATV version with scales almost every day to process my newborn calves. It is as handy as a pocket on a shirt. In the past I have been hurt twice by over protective cows. Buying this product is a lot less painful than a trip to the hospital."
