

National Western Stock Show senior and grand champion bull Dameron Linedrive.

Dameron Linedrive takes Denver's top slot

The big bull that won at Louisville stood again in the place of honor for the 1988 National Western Stock Show, Denver. Had admission been charged or tickets counted, the attendance at the Angus show would have been impressive. And, from the tone of the crowd, they not only seemed pleased with the representation Angus registration no. 11,000,000 provided the breed, but many Westerners enjoyed seeing him for the first time in the flesh as well. "Linedrive" is sired by Ken Caryl Overdrive 304H, ever a popular and highly regarded foundation bull with Montana roots.

Selection of his reserve partner, Grubbs Mac Kenzie, a yearling son of SCR Lone Star 411, also met with approval. The midwest bull stood as winter bull calf champ earlier and begins his show career with an illustrious win.

Female selection required judge Jim Wright of Le Grand, Calif. and his associate, Dave Medeiros of Turlock, Calif., to sift through 142 contenders. B&L Jamies Pearl, a Harrison daughter, continued her winning ways demonstrated out on the circuit this past year by taking intermediate champion, then grand. Reserve grand was a relative newcomer to the ring, Northcote Elegant Zara, the winter heifer calf champion who also embarks on her show career well-launched in the agreeable climate of this year's . . . "Denver."
