## 'Board Action' updated

The "Board Action" column in the April 2018 *Angus Journal* presented highlights of the Feb. 20-23, 2018, meeting of the American Angus Association Board of Directors. The Activities Committee section has since been updated to read:

- Jonathan Perry moved, seconded by Alan Miller, to increase each premium by \$40 for animals in the Phenotype and Genotype Show (PGS) at the Eastern Regional Junior Angus Show. Motion passed unanimously.
