Roll of Victory changes

The Board of Directors approved changes in the point schedule for Roll of Victory (ROV) shows. These changes include:

- Cow-calf classes will be added to the point schedule and to recognized shows.
- The show recognition program will consist of 15 shows, including five super-point shows and 10 recognized shows.
- If a show splits a championship division, championship points will be split accordingly, with the exception of calf divisions at the North American International Livestock Exposition (NAILE) and the National Western Stock Show (NWSS).
- Canadian registered cattle must be registered with the American Angus Association by the entry deadline of individual shows to be eligible.
- Breeder-of-the-year points will be allowed from the top two super-point shows and top two recognized point shows, per animal, in a show season. An animal may be exhibited in as many shows as desired.
- Points will be awarded to entries that place in the cow-calf individual classes and grand and reserve champion. The calf must be the cow's most recent natural calf and must be no more than 280 days of age on the day of the show. There will be no division champions. Grand and reserve cow-calf pairs do not show for grand champion female and are ineligible to compete in the get-of-sire, junior get-of-sire and breeder's best-six-head classes. Cow-calf points will not be accumulated toward sire of the year, dam of the year or breeder of the year.

The 2002-2003 ROV show year runs from June 1, 2002, to May 31, 2003. Shows that have been awarded ROV status include:
