

Feedlots Seeking Angus Cattle

Responding to requests for information on operations feeding cattle, the American Angus Association's Commercial Relations Department has assembled a list of feedlots interested in Angus genetics. This resource includes vital information, services available and marketing options on each of the feedlots that responded to an Association mailing. Following is a condensed version of that resource. For more information, call Bill Bowman, director of commercial relations, at (816) 383-5100 or e-mail him at bbowman@angus.org.

More information about the Commercial Relations Department and the services it provides are available on the Association's Web site, www.angus.org.

To make this listing concise, we have used the following abbreviations: Buy, buying cattle; Bkgrd., background; P, partnership; F, financing; H, hedging; USPB, U.S. Premium Beef.
