### Supply Development Branch: Here to serve you

**Larry Corah**, vice president, oversees the CAB supply development efforts, the Packing Division and planning for the DNA lab.

**John Stika**, director of feeder-packer relations and the Packing Division, focuses on strategies to enhance end-product quality and supervises staff.

**Turk Stovall**, assistant director of feeder-packer relations, works to enhance Feedlot-Licensing Program data systems and with feeders from Nebraska north.

**Paul Dykstra**, feedlot specialist, feeder-packer relations, works closely with current and prospective licensed feedlots, especially from Kansas south.

**Steve Suther**, director of industry information, writes articles about CAB producer issues for *Angus Journal*, *Angus Beef Bulletin* and other beef industry publications.

**Rod Schoenbine**, DNA research and testing project manager, works with DNA cooperative field studies and as a link to the Ohio State University DNA team.

**Margaret Cook**, marketing manager, develops promotional and educational resources, training seminars, and responds to requests for promotional and marketing services.

**Glenda Larkins**, administrative assistant/office manager, assists all Kansas supply development staff and processes feedlot cattle enrollment data.
