## FEEDLOTS SEEKING ANGUS CATTLE

Responding to requests for information on operations feeding cattle, the American Angus Association's Commercial Relations Department has assembled a list of feedlots interested in Angus genetics. This resource includes vital information, services available and marketing options on each of the feedlots that responded to an Association mailing. Following is a condensed version of that resource. For more information, contact Matt Perrier, director of commercial relations, at (816) 383-5100 or mperrier@angus.org.

More information about the Commercial Relations Department and the services it provides is available on the Association's Web site, [www.angus.org](http://www.angus.org).

To make this listing concise, we have used the following abbreviations: Buy, buying cattle; Bkgrd, background; P, partnership; F, financing; H, hedging; USP, U.S. Premium Beef.
