

ULTRASOUND TECHNICIANS

Compiled by Heather Lassen, special projects editor

The following list contains names of ultrasound technicians within North America who are currently certified through the Ultrasound Guidelines Council (UGC; see www.ultrasoundbeef.com), approved to submit images to central processing labs and wished to have their names published in this list. Only scans submitted by certified technicians to labs with an agreement with the American Angus Association will be accepted for calculating expected progeny differences (EPDs) for the Association. For more information, contact the Performance Programs Department of the Association at 816-383-5100.
