

The 1991-92 Roll of Victory Point Show Program will be launched with the American Angus Breeders' Futurity in August. The 13 designated annual shows are as follows:

SUPER POINT SHOWS

American Angus Breeders' Futurity
North American International Livestock Exposition
National Western Stock Show
Western National Angus Futurity

RECOGNIZED POINT SHOWS

Oregon State Fair, Salem, Ore.
Mid-South Fair, Memphis, Tenn.

NILE, Billings, Mont.
Grand National, San Francisco, Calif.
American Royal, Kansas City, Mo.
Arizona National Livestock Show, Phoenix, Ariz.
Southwestern Stock Show, Ft. Worth, Texas
Dixie National, Jackson, Miss.
Atlantic National, Timonium, Md.

Points awarded for winning at these shows are graduated according to placings and are accumulated throughout the course of the show year which begins June 1 and ends May 31 of the following year. Points are allowed from the top two Super and top two Recognized Shows for division champions.

Shows are permitted to add only early and late championships to the standard division champion, championship points will be split accordingly.

The ROV Program gives attention to the individual show-winning animals, rather than entirely to their sires and dams. Sires of major award winners receive continued recognition. The program also gives attention to the winners, plus sires and dams of winners, on an annual, current year basis rather than on accumulation of points over many years.

Listed on the following pages are the tabulations for the show year just concluded. The 1990-91 ROV circuit began with the American Breeders' Futurity in Louisville in August, 1990.
