

**T**he 1994-95 Roll of Victory Point Show Program will begin with the American Angus Breeders' Futurity in August. The 14 designated annual shows are as follows:

**SUPER POINT SHOWS**

American Angus Breeders' Futurity  
North American International Livestock Exposition  
National Western Stock Show  
Western National Angus Futurity

**RECOGNIZED POINT SHOWS**

Oregon State Fair, Salem, Ore.  
Mid-South Fair, Memphis, Tenn.

Georgia National Fair, Perry, Ga.  
Northern International Livestock Exposition, Billings, Mont.  
Grand National, San Francisco, Calif.  
American Royal, Kansas City, Mo.  
Arizona National, Phoenix, Ariz.  
Southwestern Stock Show, Fort Worth, Texas  
Dixie National, Jackson, Miss.  
Atlantic National, Timonium, Md.

Points awarded for winning at these shows are graduated according to placings and are accumulated throughout the course of the show year which begins June 1 and ends May 31 of the following year. Points are allowed from the top two Super and top two Recognized Shows for division champions.

Shows are permitted to add only early and late championships to the standard division champions of the American Angus Association classifications. If a show splits a championship division, championship points will be split accordingly.

The ROY Program gives attention to the individual show-winning animals, rather than entirely to their sires and dams. Sires of major award winners receive continued recognition. The program also gives attention to the winners, plus sires and dams of winners, on an annual, current year basis, instead of an accumulation of points over many years.

Listed on the following pages are the tabulations for the show year just concluded. The 1993-94 ROY circuit began with the American Angus Breeders' Futurity in Louisville in August 1993.
