

The 1995-96 Roll of Victory Show Program began with the American Angus Breeders Futurity in July. The 14 designated shows are as follows:

SUPER POINT SHOWS

American Angus Breeders Futurity
North American International Livestock Exposition
National Western Stock Show
Western National Angus Futurity

RECOGNIZED POINT SHOWS

Oregon State Fair, Salem, Oregon
Mid-South Fair, Memphis, Tennessee

Georgia National Fair, Perry, Georgia
Northern International Livestock Exposition,
Billings, Montana
Grand National, San Francisco, California
American Royal, Kansas City, Missouri
Arizona National, Phoenix, Arizona
Southwestern Stock Show, Fort Worth, Texas
Dixie National, Jackson, Mississippi
Atlantic National, Timonium, Maryland

The Breeder Six-Head category has been deleted from the ROV program effective immediately. An award will not be made in this division for the 1995-96 show year.

Points awarded for winning at these shows are graduated according to placings and are accumulated throughout the course of the show year which begins June 1 and ends May 31 of the following year. Points are allowed from the top two Super and top two Recognized Shows for Show Bull and Show Heifer of the Year and division champions.

Shows are permitted to split standard division championships of the American Angus Association into early and late championships only. If a championship division is split, championship points will be split accordingly.

The ROV Program gives attention to the individual show-winning animals, rather than entirely to their sires and dams. Sires of major award winners receive continued recognition. The program also gives attention to the winners, plus sires and dams of winners, on an annual, current year basis, instead of an accumulation of points over many years.

Listed on the following pages are the tabulations for the show year just concluded. The 1994-95 ROV circuit began with the American Angus Breeders Futurity in Louisville in August 1994.
