When 118 golfers and 75 sponsors band together for the 22nd annual Angus Foundation Golf Tournament, good things happen. The event was hosted at the Indianhead Golf Club in Grand Island, Neb., on Tuesday, July 4 in conjunction with the 2023 National Junior Angus Show (NJAS), and honored the memory of William “Bill” Davis of Belgrade, Mont. Davis, who passed away in May 2022, was a passionate Angus breeder and avid golfer.

“Year after year, this event serves our Angus family as a source of fun, fellowship and competition,” said Jaclyn Boester, Angus Foundation executive director. “Honoring longtime Angus breeder Bill Davis

made the event extra special as we gathered to remember a dear friend and support the Angus Foundation’s mission.”

The tournament welcomed 30 teams and raised more than \$17,500 to help continue the Angus Foundation’s pillars of education, youth and research.

Each year, the tournament is supported by sponsors dedicated to the mission of the Angus Foundation. This year’s event sponsor was the Friends of Bill Davis group. DewEze sponsored a BeefCake cake feeder for the lucky golfer whose drive landed closest to the pin. Neogen continued their sponsorship of the luncheon and event hole

flags. Brinkley Angus Ranch, Milan, Mo., sponsored the club house, and Heritage Farm, Shelbyville, Ky., and Turner Meadow Ranch of Wills Point, Texas, sponsored the beverage carts. Other sponsors included: Certified Angus Beef of Wooster, Ohio, sponsoring the CAB steak lunch; Kent Jaecke, Stillwater, Okla., sponsoring the player gifts; and Slate Group of Lubbock, Texas, sponsoring print materials.
