

A new format has been adopted for the American Angus Association's Roll of Victory Point Show program. Approved by the Board of Directors this past June, it will become effective with the 1990-91 show season: June 1, 1990 to May 31, 1991.

The major change is the selection of nine annual Recognized Point Shows in addition to the four annual Super Point Shows. These 13 designated shows are as follows:

SUPER POINT SHOWS

- American Angus Breeders' Futurity
- North American International Livestock Exposition
- National Western Stock Show
- Western National Angus Futurity

RECOGNIZED POINT SHOWS

- Mid-South Fair, Memphis, Tenn.

- Pacific International, Hillsboro, Ore.
- Northern International Exposition, Billings, Mont.
- Grand National, San Francisco, Calif.
- American Royal, Kansas City, Mo.
- Arizona National Livestock Show, Phoenix, Ariz.
- Southwestern Stock Show, Ft. Worth, Texas.
- Dixie National, Jackson, Miss.
- Atlantic National, Timonium, Md.

Both the Super and Recognized Point Shows will be at the same locations each year. Previously, Recognized Point Shows were rotated throughout the country among state fairs and regional shows. Points awarded for winning at these shows are graduated for different placings. Points are accumulated throughout the course of the show year.

One important ROV program change is on championship division splits. If a show splits a number of championship points will be split accordingly. All shows will receive the same number of championship points per division. Equal points for Super Shows and equal points for division champions of the American Angus Association.

The ROV program gives attention to the individual show-winning animals, rather than entirely to their sires and dams. Sires of major award winners receive continued recognition. The system also places attention to the winners, plus sires and dams of winners, on an annual, current year basis, rather than on accumulation of points over many years.

Listed on the following pages are the tabulations for the show year just concluded. The 1989-90 circuit began with the All-American Angus Breeders' Futurity in Louisville.
