

### National Junior Show Brings Out NJAA's Best

he 1996 National Junior Angus Show can only be described in one word—EXCELLENT!

The work of the host state in putting together this tremendous event and the enthusiasm of the junior Angus members from coast to coast and border to border who traveled to the Heartland made this year's show an event to remember.

The National Junior Angus Show is no longer just a "cattle show." It's an event that teaches personal skills, cooperation, responsibility and leadership. The contests and competitions, as well as the events held throughout the show, have made this weeklong event a "must attend" for all active members of the National Junior Angus Association (NJAA).

This event was made possible by the cooperation of a lot of people. They include the Missouri Junior Angus Association members, parents and supporters, generous financial contributors, the NJAA Board of Directors, the American Angus Association Board of Directors, the American Angus Auxiliary, and the staff of the Association and Angus *Journal* who help coordinate the activities and events.

This list does not begin to name all of those people at home and from the states attending who work and encourage young people to be a part of this event and organization.

My thanks go out to all of those who have had a part in making it a truly memorable event — one NJAA members will treasure for years to come.

### **Angus Juniors Show Champions at Largest Single-Breed Beef Cattle Show Ever Held**

unior Angus breeders from across the United States traveled to Kansas City, Mo., for the 28th annual National Junior Angus Show. The event, held July 16-20 at the American Royal Complex, recorded 1,039 entries, which makes it the largest single-breed beef cattle event ever held.

Dean Janssen, Bartonville, III., evaluated the 591 owned heifers. Brian McCulloh, Viroqua, Wis., selected champions from 218 bred-and-owned heifers, 53 bred-and-owned bulls, and 52 cow-calf pairs. The 66-head steer show was judged by Randy Daniel, Colbert, Ga. There were also 60 carcass steers entered.

Vision Erica 425, shown by Kyle Hain, Seward, Neb., captured the grand champion owned female title. The March '95 daughter of TC Stockman was first named late junior champion heifer.

Matthew McClain, Rantoul, III., won reserve grand champion owned female with Rutledge Energy E 507. The April '95 daughter of OSU Precision 679B first won reserve late junior champion heifer.

Ty Krebs, Gordon, Neb., led WK Belladonna into the bred-and-owned female winner's circle. His grand champion, a February '95 daughter of Connealy Dateline, first won early junior champion heifer.

Y Krebs, Gordon, Neb., took home the coveted title of "Top Showman" from the 1996 National Junior Angus Showmanship Contest held in Kansas City, Mo. Krebs topped the 58 contestants from 32 states that competed to win the prestigious competition held July 19-20 in conjunction with the 28th National Junior Angus Show.

Along with the Top Showman title, Krebs received \$350 from the Hamilton James Memorial Fund and an engraved silver Revere bowl from the American Angus Auxiliary.

Nicole Ward, Palmyra, Wis., placed second in the competition, receiving \$250 for her efforts. Placing third was Lisa Bloom, Westville, Ind. She was awarded with \$175.

Rebecca Bordner, Sturgis, Mich., stood fourth in the competition, winning \$125, while Curt Stockdale, Dayton, Penn., was awarded \$100 for his fifth place finish.

The cash prizes awarded to the top five showmanship winners were on behalf of the Hamilton James Memorial Fund, established in the memory of Angus enthusiast and auctioneer Ham James. The American Angus Auxiliary presented each of the top five finalists a silver Revere bowl.

The three judges for the event were Dean Schrock, Platte City, Mo.; Brad McCurry, Mt. Hope, Kan.; and Glenda Schroeder, Clarence, Iowa.

These judges evaluated the contestants on the skill in handling their animal, their ability to follow instructions, use of equipment, courtesy, sportsmanship and general appearance. The contestants did not show their own animals, but rather drew for animals owned by other exhibitors at the show.

The top five finalists were selected after five rounds of preliminary competition. The 15 finalists then competed for the Top Showman honor.

Other contestants chosen in the top 15 finalists were Beth Patton, Crawfordsville, Ind.; Tucker Janssen, Bloomfield, Iowa; Jessica Paulsrud, Danbury, Iowa; Matt Theis, Leavenworth, Kan.; Jamie Pepper, Simms, Mont.; Garrett Pohlman, Norfolk, Neb.; Jennifer Luli, Suffield, Ohio; Bree Taggart, Waynesburg, Penn.; Holly Gamble, Clinton, Tenn.; and Andrew Mindemann, Sullivan, Wis.

Ty Krebs, Gordon, Neb., displays his cattle handling skills at the 1996 National Junior Angus Showmanship Contest.

NATIONAL ANGUS SHOWMANSHIP CONTEST judge Glenda Schroeder says she and the other judges were looking for three things in the 1996 competition: the contestants' ability to keep their animal in control, their confidence and their overall appearance with a heifer.

"I particularly look for a contestant's calmness and eye contact with the judges," Schroeder says. "The top five stood out— shined. They were ones I'd look for to show my cattle. They were so calm and smooth with their animal. The showmen always knew where their animal was, and

made it look its best."

Schroeder adds that showmanship is something you grow and work into. She encourages junior members to go out and participate — it's the only way to get practice.

"Every judge likes different things and will give different advice," she says. "Pull all those ideas together and be your own person."

# Young Breeders Gain Marketing Edge

T wenty-four teams from 16 states entered this year's team sales contest. Their objective is to market their animal to the three mock buyers who served as judges for the competition.

Participants are divided into junior, intermediate and senior divisions. The senior teams were given a scenario on the day of registration and were required to find an animal with a pedigree to match the scenario.

Teams are scored on presentation, cattle knowledge and salesmanship. The threemember teams were evaluated on their response to questions from the judges.

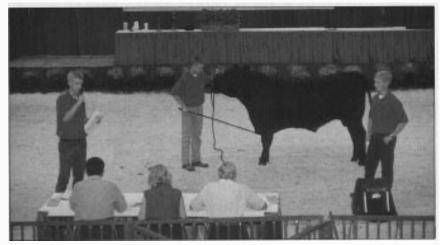

The team from Kansas placed first in the junior division. Team members were Jeana Sankey, Emily McCurry and Benjamin Winsor.

Winning the intermediate division was Nebraska. Team members were Jessica Sawyer, Mark Smith and Mike Hartwell.

Jake Stevenson, Jamie Pepper and Mardi Linhart from Montana won the senior division.

'The clear-cut winners were those exhibiting confidence. This single attribute showcased strong points and shadowed weaknesses in the top teams' salesmanship techniques."

'The use of commercially oriented scenario is an excellent tool for educating young people that not all environments and operations are the same. Hopefully, we can start the learning process early that every situation is different and trait selection, including the use of EPDs, varies depending on environment, market and management style. What works on a ranch in Montana might not work on a farm in the Midwest or on the operation across the road."

## Junior Angus Breeders Elect New Board Members and Officers For 1996-97

The National Junior Angus
Association (NJAA) gathered for its annual meeting during the 1996 National Junior Angus Show in Kansas City. The highlight was the election of six new directors to the NJAA Board and the announcement of the officers for 1996-97. This took place during the Friday night awards ceremony on July 19.

Serving as chairman of the more than 9,000-member organization is John Dickinson, Congerville, Ill. Bob Stevenson, Hobson, Mont., was elected the vice chairman.

Suzanne Berry, Ardmore, Ala., will serve as the communications director, while Monica Feeser, Taneytown, Md., was elected foundation director.

Jennifer Hawkins, Mason, Mich., will hold the position of leadership director, and the new membership information director is Shantelle Andrews, Dos Palos, Calif.

The individuals elected to leadership positions are beginning the second year of their two-year term on the board.

Six new directors were chosen by the membership from 10 candidates to serve two years on the 12-member board. A brief biography of those elected follows:

Leigh Ann Campbell, the daughter of Bob and Sallie Campbell, is from Springfield, Ky. She will begin her second year at University of Kentucky this fall where she studies accounting. She has been active in both state and national junior Angus activities, including the planning and organization of the 1995 National Junior Angus Show.

Andrew Donnell, Jackson, Tenn., will be a junior at Western Kentucky University this fall. He is the son of Billy and Rose Ann Donnell. Andrew has won the National 4-H Beef Award and is a past West Tennessee Star Farmer in the FFA.

Jarrod Gillig, Odessa, Mo., was elected to serve on the board. His parents are
