

Delegates Set for LOUISVILLE

Last spring a form on which to nominate delegates to the 117th Annual Meeting was sent to everyone listed on April 30 as an active life or regular member of the American Angus Association. Nominees could be any member whose farm or ranch is located in the same state as the nominator. After completed forms were returned to the Association office in Saint Joseph, Mo., ballots were prepared and sent to members in each voting district (state or Canada).

Each district is entitled to two delegates and two alternate delegates for every 150 members who reside within its area. In addition, each state shall be entitled to one delegate for each 3,000 registrations processed during the prior fiscal year.

Following is a complete list of delegates and alternates to the 2000 Annual Meeting of the American Angus Association, to be conducted Monday, Nov. 13, in Louisville, Ky.
