

WHAT'S INSIDE

June Issue | *The Eighth Day*

OH, THE PLACES HE'S GONE!

20 Finding the perfect balance between life on and off the farm is no easy task. Keith Burgett dedicated his life to animals large and small, near and far.

36 BLAME IT ON MOM

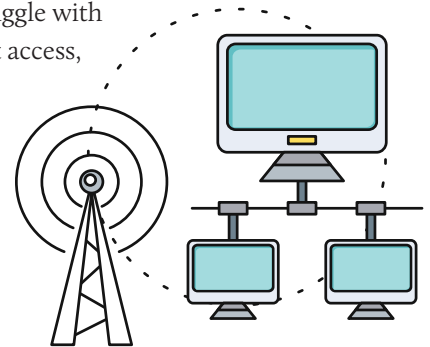

Fetal programming isn't a new concept in the health-care community; expecting mothers are quickly advised to take prenatal vitamins and stick to a healthy diet. Gestating cows might not be any different.

38 DON'T LET DISEASE BE A SHOW STOPPER

Whether it's a county fair or national livestock show, keep biosecurity in mind for both animals and people.

44 INTERNET WOES

Rural areas still struggle with high-speed internet access, but new broadband initiative aims to bring better access.
