ANGUS & AGROECOLOGY

Adapting cattle to their environment is the name of the game and Indreland Angus is at the forefront of it all. Regenerative agriculture that is, in Big Timber, Montana.

24

GONE GRAZING

How knowing the “hill climbers” and “bottom dwellers” of your herd can help you boost your operation.

YOUR BUSINESS

FESCUE TO THE RESCUE

“Anything I don’t want, I get with fescue toxicosis. Anything I do want, I don’t get with fescue toxicosis,” says Craig Roberts, University of Missouri state forage specialist.

50

PART CELEBRATION, PART INNOVATION

CAB annual conference brings all links together.

58

COUNTING CENTURIES

A century. 100 years. Ten decades. A viable, thriving, grassroots association led by dedicated and devoted volunteers, throughout it all
