### New classes added to 2000 Western Regional

Junior Angus exhibitors will have the opportunity to enter two new classes at the 2000 Western Regional Junior Angus Show, according to James Fisher, director of junior activities for the American Angus Association. Classes for Angus steers and cow-calf pairs have been added to the junior show, which will be April 15 in Reno, Nev.

This is the first year that these classes have been offered at the Western Regional. The new classes will allow the juniors to compete in more categories.

For more information about the show or the addition of the new classes, contact the Junior Activities Department at (816) 383-5100.
