

Delegates Selected for Louisville

Last spring, a nomination form for delegates to the 121st Annual Meeting was sent to everyone listed April 30, 2004, as an active life or regular member of the American Angus Association. Nominees could be any member whose farm or ranch is located in the same state as the nominator. After the completed forms were returned to the Association office in Saint Joseph, Mo., ballots were prepared and sent to members in each voting district.
