Note amendments to bylaws

Members should be aware of a few important bylaws that were amended at the Annual Convention of Delegates in November 2015. Most notably, two amendments affect the nomination period

and who can participate in the election process or be voting delegates.

Because the annual meeting dates shift with the Angus Convention, the amendment shifts the nomination period to floating days — starting no later than 210 days before the

Annual Convention of Delegates and ending no later than 150 days prior to the Convention. This ensures that there is enough time for office staff to prepare, process and mail ballots once nominations are received. Also, the nomination period is 60 days instead of 90 days.

Another amendment approved says that eligible voting members must be 18 years of age and have either registered at least one animal or done a set amount (currently \$250) of business with the American Angus Association or Angus Genetics Inc. (AGI) in the 12 months prior to the nomination period. This change ensures that voting members have a vested interest in the Angus business.

The latest eligibility period for the delegate election process — the 12 months during which members must register an animal or do \$250 of business — was April 11, 2015, through 4:30 p.m. April 8, 2016, Central Daylight Time (CDT). The nomination period began April 11, 2016, and will conclude at 4:30 p.m. June 10, 2016.

For more details on the changes and to read the section of the bylaws as amended, see “Association Bylaw Changes” on page 18 of the February 2016 *Angus Journal*.

Look for delegate petitions in the mail

Preparations are being made for the 2016 Annual Convention of Delegates this November in Indianapolis, Ind. Forms to nominate delegates to the annual meeting were mailed to every eligible voting active life and regular Association member prior to April 11 according to the Bylaws as amended at last November’s convention.

The nomination period is April 11-June 10. Each eligible voting member is allowed to nominate one eligible voting active life or regular member who resides in the same state or district, including himself or herself, who meets the new qualifications for eligible voting members. The candidate should be highly involved in the Angus business, willing to attend the meeting and able to represent Angus breeders.

Signed nomination forms must be received in the Association office no later than 4:30 p.m. CDT on June 10, at which time every qualified nominee will be included on a state ballot. State ballots will be mailed to the membership in July to vote for the final

BREEDER’S REFERENCE

Symbols are used with a registration number to denote important information about an animal.

Symbol	Meaning
#	Pathfinder cow or Pathfinder sire
+	Embryo transfer calf
^	Cell clone
%	Split-ET
@	Clone-ET

The American Angus Association currently recognizes the following genetic conditions:

Code	Meaning
AM	Arthrogyposis multiplex
CA	Contractural arachnodactyly
D2	PRKG2 gene mutation for dwarfism
DD	Developmental duplication
DM	Double muscling
DW	Dwarfism
HG	Horn gene
HI	Heterochromia irides
M1	nt821 mutation for double muscling
NH	Neuropathic hydrocephalus
OH	Oculocutaneous hypopigmentation
OS	Osteopetrosis
RD	Red gene
SN	Syndactyly
WT	Wild type color gene

The following single-letter descriptors appearing after a genetic condition code shall have the following meaning:

- P – refers to a “potential” carrier based on an ancestor known to carry that specific mutation.
- F – refers to an animal tested for one or more genetic conditions and determined to be “free” of that specific mutation.
- C – refers to an animal tested for one or more genetic conditions and determined to be a “carrier” of that specific mutation.
- A – refers to an animal tested for one or more genetic conditions and determined to be a carrier of two copies of that specific mutation. It may or may not exhibit the phenotype associated with that genetic condition.

The following letter designations describe cases in which there is more than one genetic condition present:

- XF – Free of more than one genetic condition.
- XC – Carrier of more than one genetic condition.
- XA – Affected of more than one genetic condition.
- RTF – Recessive trait free (produced 35 or more calves from daughters without a genetic defect).

Reserve the date for the Angus Convention

The 2016 Angus Convention will take place Nov. 5-7 in Indianapolis, Ind. The three-day event will feature thought leaders from across the industry, including representatives from the seedstock, commercial and feeding sectors. Attend educational seminars, conduct Association business, listen to top-notch speakers and make connections at the convention.

Now in its third year, the event will feature expanded workshops that cover a variety of topics, including genomics, recordkeeping, herd management and performance tools. Industry-leading speakers, American Angus Association staff and other experts will be among the presenters. A three-day trade show featuring allied industry partners will offer cattlemen and women a chance to browse through the latest in products and services available to the beef industry and to visit with Angus breeders and their commercial partners from throughout the country.

Convention highlights will include a preconvention Indiana regional cattle tour hosted by the Indiana Angus Association on Friday, Nov. 4; the International Angus Genomics Symposium sponsored by Neogen's GeneSeek Operations and cattle demonstrations sponsored by Zoetis on Saturday, Nov. 5; and Angus University and a Sawyer Brown concert sponsored by Merck Animal Health on Sunday, Nov. 6.

Registration will be available online at www.AngusConvention.com on July 1. See page 28 in this issue for more information.

Additional Angus Convention dates to mark on your calendar include:

- ▶ Nov. 4-6, 2017 — Fort Worth, Texas
- ▶ Nov. 3-5, 2018 — Columbus, Ohio
- ▶ Nov. 2-4, 2019 — Reno, Nev.

Online registration open for BIF Symposium

Online registration is available at <http://beefimprovement.org/library/registration-info> for the 2016 Beef Improvement Federation (BIF) Symposium and Convention. The annual event is scheduled for June 14-17 in Manhattan, Kan. Kansas State University (K-State) and K-State Research and Extension will host the event at the Hilton Garden Inn and Conference

Center in Manhattan. This year's conference theme is "Progress on the Prairie."

A schedule, along with hotel and travel information, is available at www.bifconference.com, the *Angus Journal's* online coverage site for the event.

For more conference details, see page 216 of the April 2016 *Angus Journal*.

June 15 is deadline to apply for NJAA Ambassador Program

Funded by the Angus Foundation, the NJAA Ambassador program is an educational experience designed to recognize one

outstanding junior Angus member who will support the production of the Angus breed and the consumption of Angus beef on a national and international level.

The selected person will represent the NJAA at major beef industry conferences and events across the United States for one year.

American Angus Association members, ages 17-20, of good standing who own purebred cattle are eligible to apply. A cover letter, résumé and essay questions must be postmarked June 15, and should be sent to the Events and Education Department, 3201 Frederick Ave., Saint Joseph, MO 64506. For more information and the essay questions, contact the department at 816-383-5100, or visit https://www.angus.org/NJAA/Awards/Ambassador_Program.pdf.

Grand Island, Neb., to host 2016 NJAS

The National Junior Angus Show (NJAS) is an annual highlight for hundreds of Angus youth and their families. In 2016, "Stampede the Sandhills" takes place July 3-9 in Grand Island, Neb. The Nebraska Junior Angus Association is partnering with the South Dakota Junior Angus Association to coordinate and raise funds for this year's event. See page 144 in this issue for an overview. More information about the event — including the schedule, rules, hotel information and contest details — can be found at www.angus.org/njaa/shows.aspx.

Seeking golf tournament sponsors and players

The Angus Foundation's annual golf tournament will be Tuesday, July 5, at the Indianhead Golf Club, Grand Island, Neb. The golf tournament is hosted in conjunction with the 2016 NJAS. Proceeds from the fundraising activity benefit Angus education, youth and research.

KNS Inc. Animal Nutrition purchased the golf tournament sponsorship for \$3,500 at Angus Night on the Mountain at Spruce Mountain Ranch, Larkspur, Colo., in January. There are eight other sponsorship levels available. The deadline to be a sponsor is May 27.

To play in the tournament, adults can register at \$100 per person, and junior golfers (NJAA members) can register at \$75 per person. Registration deadline is June 17. After June 17, a \$10 late registration fee applies per player.

Visit www.angusfoundation.org to find out how you and your Angus farm can be recognized as a sponsor or participate in the 2016 Angus Foundation Golf Tournament.

Allied Angus Breeders Scholarship

The Angus Foundation Board of Directors approved funds to provide \$1,000 scholarships to three youth who use Angus genetics in their seedstock or commercial operations. Awards will be given in July 2016.

Applicants must be enrolled in a junior college, four-year college/university or other accredited institution for the fall of 2016. They can be an entering freshman or a continuing student in any undergraduate program. The applicant or applicant's parents/guardians must have transferred or been transferred a registration paper in the last 36 months (on or after May 1, 2013).

Full details of eligibility can be found at www.angusfoundation.org. Information and

an application can be found in the resources section on the home page.

Mark calendars for summer events

Members of the NJAA should have their calendars marked for a summer of regional preview shows, the NJAS and the Leaders Engaged in Angus Development (LEAD) conference.

The 2016 LEAD Conference, themed "Rising Up in Phoenix," is set for Aug. 4-7 in Phoenix, Ariz. The National Junior Angus Board (NJAB) has planned leadership and personal skill-building activities for NJAA participants 14-21 years old.

Space is limited, so register early. Early registration, due June 15, is \$250 for junior members and \$300 for advisors/chaperones. After June 15, rates increase to \$275 for junior members. Visit www.angus.org/njaa to register.

Black Books available today

Place your order for the 2016 Beef Record Service (BRS)/AngusSource® black books. The pocket-sized books include a calendar, as well as space to keep management records on your cow herd. The 2016 books are available in any quantity for \$3 each. To place orders, contact the AngusSource department at 816-383-5100 or blackbooks@angus.org.

Juniors, submit entries online

Junior members can save time by submitting entries for shows online. Log on to www.angus.org/njaa and provide the

necessary information, including a Visa® or MasterCard® number to cover entry and bedding fees. Online entries are subject to the same entry deadlines as those submitted via mail. No late entries are accepted for any reason.

Association can help with junior transfers

If you know of a junior member who has purchased or raised a heifer that he or she wants to show, please make note of all ownership deadlines. If a deadline is approaching and you haven't received the transferred registration, the Association can help.

Contact the Association at least two weeks prior to the show ownership deadline. Every effort will be made to get the transfer processed in time. Remember, late transfers are never accepted, regardless of the reason.

Custom Cattle Tags offers affordable ID

Cattle producers looking for affordable ways to identify their herd should visit www.customcattletags.com, a service provided by the American Angus Association. Anyone can order ear tags, applicators, syringes and accessories.

Custom Cattle Tags provides high-quality, low-cost, customized ear tags, blank tags and prenumbered tags for cattle producers across the United States.

Purchase Angus photos online

While in the showring or covering Angus events, Angus Media staff capture thousands of photos throughout the year. Candid photographs, backdrop images and others can be found online through a special photo website (photo.angus.org). The Association recently released new prices and offers digital downloads, photo prints and other gift items, such as magnets, photo books, keychains and more.

For more information, contact the PR Department at prphotos@angus.org or 816-383-5100 for more information.

Request sale-day or field-day kit

Producers with late spring sales or those planning summer field days at their operations can request a sale-day kit or field-day planner and kit from the American Angus Association. The kits include educational and promotional information about the Angus breed and Association programs.

All materials should be requested at least two weeks prior to your event to ensure items will reach your destination. Contact Amber Wahlgren or Lea Ann Maudlin at 816-383-5100.

MaternalPlus®

MaternalPlus is a voluntary, inventory-based reporting system designed to capture additional reproductive trait data and,

ultimately, expand reproductive and lifetime productivity tools. By using MaternalPlus, producers will receive additional information at weaning processing time, including calving ease, birth weight and weaning weight expected progeny differences (EPDs) for calves out of inventoried cows.

In addition, MaternalPlus allows producers to submit cow disposal codes and reason designations, which keeps an accurate record of why a cow left the herd.

To learn more about MaternalPlus, visit www.angus.org or AAA Login.

The Angus Report airs each week on RFD-TV

The Angus Report delivers Association and industry news each week on RFD-TV. Catch the original broadcast at 7:30 a.m. CDT Monday morning. Each program is rebroadcast the following Wednesday evening at 5 p.m., Thursday afternoon at 3:30 p.m. and Saturday at 1:30 p.m.

State Angus associations, publications, breeders and others looking for website content are encouraged to post segments of the free program on their websites. Videos will be updated regularly at www.angus.org and through the Association's Facebook and Twitter pages.

Download the Angus App

Angus Mobile is a free, smartphone application for iPhone, iPad and Android devices that allows app users to update herd data no matter where they are on their farm or ranch. Download the easy-to-navigate app and gain access to the latest news, sale reports, show results, EPDs and \$Values, percentiles and much more. Visit www.angus.org for more details.

Lifetime membership options

The American Angus Association offers producers a lifetime membership option. The \$1,500 membership lasts throughout the life of the sole person named on the membership. Payments may be broken into three nonrefundable yearly installments.

Lifetime memberships can be issued to one person only, and are not meant for partnerships. The membership option may be used for a farm name, provided only one person is included on the membership.

Post Angus videos on your website

The American Angus Association has released its latest national advertisements focusing on the straightbred Angus advantage. Short video segments are available to post to state association or individual websites, free of charge. Watch the videos at www.angus.org or on YouTube by searching for "Angus means business." Contact the Communications Department at 816-383-5100 for more information.
