Nominate delegates now

Only a few weeks remain to nominate delegates to represent each state at the 2011 American Angus Association Convention of Delegates set for Monday, Nov. 14, in Louisville, Ky.

Each active Association member should have received a nomination petition in the mail and may nominate one member from his or her state or district. All eligible nominations will be included on a state ballot that will be mailed to members this summer for the final selection of delegates.

Signed nominations must be received in the Association office no later than June 30 to be included on the final ballot. Remember, if

your membership has expired or will expire in May or June, renew now. Only current members can be placed on the ballot.

(Details of the entire election process can be found in the Association's *Breeder's Reference Guide*, which is available online at www.angus.org. Or refer to the March 2011 *Angus Journal* article in the "Your Association: Your Business" series to learn more about how your membership works.)

It's important to nominate a person who is willing to attend the Annual Meeting and who is informed about the Angus business. The event takes place during the North American International Livestock Exposition (NAILE).

Order black books today

Now is the time to place your order for the 2012 Beef Record Service (BRS)/AngusSource® black books. The pocket-sized books include a calendar, as well as space to keep management records on your cow herd.

The 2012 books are available in any quantity for \$3 each and can be customized — free of charge — with purchases of 100 or more.

The books make great promotional gifts to commercial customers. Customized orders may include your operation's logo and contact information foil-stamped onto the back cover, while standard orders feature the Association's logo. Custom orders must be placed by Aug. 1.

To place orders, contact the AngusSource department at 816-383-5100 or blackbooks@angus.org.

Books will be shipped by Oct. 15 — just in time to distribute to customers during the fall marketing and holiday seasons.

Association can help with junior transfers

If you know of a junior member who has purchased or raised a heifer that he or she wants to show, please make note of all ownership deadlines. If a deadline is fast approaching and you haven't received the transferred registration, the Association can help.

Contact the Association at least two weeks prior to the show ownership deadline. Every effort will be made to get the transfer processed in time. Remember, late transfers are never accepted, regardless of the reason.

Note these junior deadlines

A summer full of junior Angus activities is first preceded by many deadlines for entries, contests and awards.

June 10 deadlines include:

- Deadline for NJAA Public Speaking Contest speech outlines
- Deadline for NJAA Career Development résumés and job descriptions
