Look for delegate petitions in the mail

Preparations are being made for the 2014 Annual Convention of Delegates this November in Kansas City, Mo. Forms to nominate delegates to the Annual Meeting will be mailed to every active life and regular Association member during the last week of March.

The nomination period runs from April 1 to June 30. Each member is allowed to nominate one eligible active life or regular member who resides in the same state or district, including himself or herself. The candidate should be highly involved in the Angus business, willing to attend the meeting and able to represent Angus breeders.

Signed nomination forms must be received in the Association office no later than June 30, at which time every qualified nominee will be included on a state ballot. State ballots will be mailed to the membership in July to vote for the final slate of state delegates. When you receive the petition, please return it promptly.

Association can help with junior transfers

If you know of a junior member who has purchased or raised a heifer that he or she wants to show, please make note of all ownership deadlines. If a deadline is fast approaching and you haven't received the transferred registration, the Association can help.

high-quality, custom-printed cattle ear tags and other ID options, in less time. The interactive online store offers Duflex® visual tags in numerous colors and sizes.
