

Auxiliary Notes

Let's meet in Texas

I don't know about you, but I love Texas! I am excited the Angus Convention is headed to Fort Worth this fall! The sights to see and the food to eat are unmatched in the Lone Star State. Yet, really, it is the people who make Texas so special to me. You don't meet finer, more hospitable folks.

Lining up

The American Angus Association and the Texas natives are lining up events and a schedule for the Convention that holds nothing back. Plus, the American Angus Auxiliary will host its annual events with a flair as big as Texas. We invite all members and those interested in the Auxiliary to join us for our Annual Meeting.

I personally would like to invite you to the Auxiliary Breakfast. It will be the best of Montana and Texas rounded up to celebrate the Auxiliary.

Please make plans now for the Angus

Convention Nov. 4-6. Registration is fast approaching. Online registration and hotel reservation blocks are available July 1. Complete details and registration are available at www.angusconvention.com.
