The Colvin Scholarship Foundation and Certified Angus Beef LLC (CAB) are seeking applicants for its 2007 scholarships. Applications are due Dec. 15. All qualified college juniors and seniors are encouraged to apply.

The scholarships will be awarded in January 2007 to a junior or senior college-level student demonstrating a commitment to the beef industry through the pursuit of a meat science, food science, animal science, marketing, business, communications, journalism, or other degree related to the beef industry through activities and curriculum.

Applications are available at www.certifiedangusbeef.com/press/csf/index.php.

For more information contact Vickie Catteau at 1-800-225-2333, ext. 268, or at vcatteau@certifiedangusbeef.com.

Developed in 1999 as Louis M. "Mick" Colvin retired as executive director, the scholarship recognizes his role in making dreams a reality and inspiring others to be their best. Colvin helped found the CAB Program in 1978, establishing the world's leading brand of fresh beef. This scholarship benefits tomorrow's leaders who are involved in their communities and the beef industry.
