

# 2014 Foundation Heifer

## Royal Lass headlines 2014 heifer package.

**E**xpress Ranches of Yukon, Okla., will donate EXAR Royal Lass 2068 (AAA Registration No. 17160657) to headline the Angus Foundation Heifer Package scheduled for auction at 3:30 p.m. on Jan. 15, 2014, at the National Western Stock Show (NWSS) in Denver, Colo.

Born Jan. 8, 2012, the chosen female is sired by EXAR Upshot 0562B. Royally bred,

2068 is the maternal granddaughter of the now deceased record-setting \$263,000 calving-ease sire EXAR 263C and BR Royal Lass 7036-19, the dam of BR Midland.

Closely related to 2068 is her increasingly popular half-brother EXAR Denver 2002B, also sired by EXAR Upshot 0562B. Denver was the lead bull of Express Ranches' 2013 NWSS grand champion carload of bulls. A

one-third semen interest in the bull sold for \$340,000, setting a new record valuation of \$1,020,000 for a yearling Angus bull.

The 2014 Angus Foundation Heifer is bred to Sitz Top Game 561X and is due to calve Feb. 13, 2014.

Express Ranches is America's largest seedstock operation. It sells more than 4,800 head of registered cattle per year.

Owner Bob Funk believes in the cattle industry and is an advocate for America's youth. Funk has supported the Angus Foundation in many ways in the past, including hosting "That Old West Magic" gala and auction for the Angus Foundation in Oklahoma City, Okla., in 2008. The event raised more than \$345,000 in gross proceeds.

"We at Express Ranches feel it is a great honor and privilege to have the opportunity to support Angus youth through the donation of the 2014 Angus Foundation scholarship heifer," Funk says.

"This heifer is super well-balanced

with lots of rib and volume. She is correct structurally and she's attractive. Additionally, from a pedigree standpoint, she is out of one of the most productive cow lines that we have here at Express Angus Ranches," says Jarold Callahan, president of Express Ranches.

Angus Foundation President Milford Jenkins says, as with all Angus Foundation Heifer donors since the inception of the successful fundraising activity in 1980, the Foundation is thankful to Express Ranches as the 2014 donor.

Additional features included in this package are listed in the advertisement on page 64FF.

The sale of the Angus Foundation Heifer Package supports the Angus Foundation, the not-for-profit affiliate of the American Angus Association that funds and supports programs involving education, youth and research in the Angus breed and agricultural industry.

For more information about the Angus Foundation Heifer, contact Jenkins at 816-383-5100.
