

# SAV Emblynette 5368 to Sell as 2016 Angus Foundation Heifer

Schaff Angus Valley donates heifer to headline the 2016 Angus Foundation Heifer Package.

by *Carrie Horsley, Angus Foundation*

**S**chaff Angus Valley, Saint Anthony, N.D., will donate the heifer to headline the Angus Foundation Heifer Package to be auctioned at the 2016 National Western Stock Show (NWSS) in Denver, Colo. Proceeds from the sale of this package benefit the Angus Foundation's mission to support education, youth and research.

The chosen female, SAV Emblynette 5368 (registration No. 18141862), is true foundation material and has been selected for her individual quality and maternal excellence. Stacking the time-tested Emblynette family on both sides of her pedigree, she is fortified with 10 generations of a prolific cow family that was established at Schaff Angus Valley in 1946. She is the one-of-a-kind natural daughter of the elite fifth-generation Pathfinder® cow SAV Emblynette 5483, who has posted a weaning ratio of 104 on seven calves and a stellar production record, while her Pathfinder granddam remains productive in the Schaff program at 18 years of age.

"It is a pleasure and honor to contribute to the great work of the Angus Foundation that supports the Angus breed," says Kelly Schaff.

► SAV Emblynette 5368 with her dam at 30 days of age.

"Angus has been, and continues to be, the sole livelihood of our family."

Her full brother, SAV International 2020, is the \$400,000 top-selling bull of the breed in 2013 and sired the lead-off sire group in the record-setting 2015 SAV sale, where 47 International progeny averaged \$24,521 per

head. International currently ranks among the most popular and widely used sires to surface from the SAV program.

"Being able to offer an elite Angus female from a nationally recognized program, Schaff Angus Valley, is truly an honor for the Angus Foundation," says Milford Jenkins, Angus Foundation president. "We are humbled by their passion for helping our organization make a difference in the lives of our Angus youth through the scholarships, leadership training and educational opportunities made possible by the sale of this SAV Angus female."

Schaff Angus Valley was homesteaded in 1902 and is owned by Kelly and Martie Jo Schaff, along with their daughters, Kelsie and Kourtney, who are the fifth generation on the ranch. Schaff Angus Valley has hosted 112 production sales of registered-Angus cattle and has evolved into one of the largest and most recognized seedstock nurseries in the world.

For more information about the Angus Foundation or the sale of the annual heifer package, contact Jenkins at 816-383-5100 or [mjenkins@angusfoundation.org](mailto:mjenkins@angusfoundation.org).
