One of the three tenets for the Angus Foundation is education. At the National Junior Angus Show (NJAS) in Grand Island, Neb., 51 scholarships were given to undergraduate and graduate students totaling nearly \$212,000 invested in future agriculture industry leaders.

"Supporting youth and education is what the Angus Foundation is all about," says Milford Jenkins, Angus Foundation president. "None of this would be possible without incredibly generous donors from the Angus industry."

A five-member committee evaluates the scholarship applications and considers National Junior Angus Association (NJAA) involvement, state association participation, leadership and other criteria. Since 1998, the Angus Foundation has awarded more than \$2.5 million in undergraduate and graduate scholarships.

The 2016 scholarship recipients were recognized on July 7 and 8 during the NJAS. A complete list of scholarship winners follows.

New this year

Joseph and Susanne Bush/J&S Ranch Scholarship and Junior Activity Endowment Fund. Joe and Susanne Bush of J&S Ranch in Gatesville, Texas, began ranching in 2005 and started their Angus herd three years later. The Bushes are United States Army veterans with more than 40 years

combined military service. They became involved in the Texas Angus Association, the Southwestern Cattle Raisers Association and the American Angus Association. Their passion for the Angus industry fueled their decision to name the Angus Foundation as the primary charitable beneficiary for the bulk of their estate. A \$10,000 cash gift in 2015 was announced, creating the Joseph and Susanne Bush, J&S Ranch Scholarship and Junior Activity Endowment Fund. Each year a different Angus youth from Texas or Mississippi will receive a \$500 scholarship.

The winner of the first-ever Joseph and Susanne Bush, J&S Ranch Scholarship is Robert Dolson, Hico, Texas.

DeEtta Wood Memorial Scholarship and Achievement/Leadership Awards

Endowment Fund. A new scholarship was announced for 2016 in memory of DeEtta (Jones) Wood. DeEtta and her family have enjoyed raising purebred Angus cattle at their Wood Angus Farm in Willow Spring, N.C.

DeEtta was more than an Angus breeder, she was also a leader, serving the North Carolina Angus Auxiliary and as an advisor for the North Carolina Junior Angus Association.

Her legacy will be carried on in perpetuity in the Angus breed through the DeEtta Wood Memorial Scholarship and Achievement/Leadership Awards Endowment Fund. The endowment will fund a \$1,000 scholarship given annually with preference to North Carolina Angus youth.

This year's winner is LeAnn Harward, Richfield, N.C.

Foundation general scholarships

Generous unrestricted gifts to the *Vision of Value: Campaign for Angus* and other support to the Angus Foundation through the Angus Foundation Heifer Package at Denver, silent auction, golf tournament, annual fund, Angus credit card program, Angus breeder fundraising events, merchandise sales and Foundation activities in Louisville are the reason the Foundation is able to award the level of general undergraduate and graduate scholarships it does each year.

Named scholarships

The **Cory Watt Memorial Scholarship Endowment Fund** was established following the Feb. 19, 2015, passing of Cory Watt, 22, of Iva, S.C., after a prolonged battle with cancer. A lifelong Angus breeder, Watt was halfway through his term as chairman of the National Junior Angus Board (NJAB). He was a faithful steward of Angus cattle and a positive role model for Angus youth nationwide.

Led by Kevin and Lydia Yon and their family with the donation of an Angus female, other family, friends and industry role models have raised a memorial of more than \$37,000 in Cory's memory to fund a scholarship to help juniors pursue higher education. While he is no longer with us, Cory will remain an inspiration, and his memory will be honored in the NJAA and the American Angus

Association for generations to come.

The 2016 recipient of the \$1,500 Cory Watt Memorial Scholarship was Michaela Clowser, Milford, Neb.

Gordon and Robin Keys of Middleburg, Va., donated \$52,000 to the Angus Foundation for the creation of two scholarship endowment funds in 2015. Officially titled the **Gordon and Robin Keys and Family Angus Scholarships**, the generous donation will provide opportunities to Angus youth from Virginia and Maryland. Two \$1,000 scholarships will be awarded.

"It has been our intention to recognize the Angus Foundation, and we wanted to demonstrate our support in a very personal way," Gordon Keys says. "It seemed right to establish academic scholarships to help more youth achieve an education."

Gordon also says the decision to establish these two scholarships was because of the family's roots — Gordon is originally from Maryland, and his wife is from Virginia. For the past 20 years, their home has been Beaver Dam Farm, a 150-acre historic property in Virginia. Their children grew up participating in 4-H, exhibiting Angus cattle and being involved in the livestock industry. They

continue to be successful with agricultural-based careers.

Winners of the Gordon and Robin Keys and Family Angus Scholarships for 2016 were Emily Velisek, Gaithersburg, Md.; and Robert Nixon III, Rapidan, Va.

C.L. Cook Angus Scholarship Endowment Fund. In admiration of C.L. and Joyce Cook of Briction Farms, Social Circle, Ga., and the impact C.L. had on their lives raising Angus cattle, Stacey and Melanie Britt and other longtime friends of the Cooks initiated a fundraising drive. C.L. and Joyce were overjoyed at the Georgia Genetics Angus Sale in April 2015 when more than \$37,000 was raised in C.L.'s honor from the proceeds of an Angus female donated by Britt Angus Farms and contributions from other generous Angus breeders.

Applicants from Georgia will be given first preference for the resulting undergraduate scholarship, which has no restrictions to academic major or student year classification.

Receiving the C.L. Cook Angus scholarship for 2016, in the amount of \$500, was Haley Throne, Lexington, Ga.

The **Ed and Wilma Minix/Black Witch Farm Angus Youth Scholarship** and

Activities Endowment Fund was established in 2014 when Wilma Minix, Black Witch Farm, Athens, Ga., donated \$102,500 to establish a scholarship and named the Angus Foundation a charitable beneficiary.

This scholarship is in honor of her late husband, Ed Minix, and herself. The fund will generate an annual \$2,500 scholarship and was awarded for the first time at the 2014 NJAS. The balance of the annual investment earnings will be used for youth activities, such as the Raising the Bar and LEAD conferences.

Receiving the \$2,500 Ed and Wilma Minix/Black Witch Farm Angus Youth Scholarship for 2016 was Morgan Alexander, Berryville, Va.

Established in 2014 with contributions in memory of the late Stan Prox, the **Stan Prox Memorial LEAD Award** covers the registration cost for one NJAA member attending the LEAD conference. The recipient will be selected by random drawing from Illinois youth who have registered for the LEAD conference by the early registration deadline. Eligibility follows LEAD conference rules. Past recipients will be ineligible in the following years.

Angus Foundation Richard L. Spader Scholarships. Richard L. “Dick” Spader was responsible for starting the Angus Foundation during his tenure as executive vice president of the American Angus Association. Upon his death, his family established a scholarship fund in his memory, started with the auctioning of the first five copies of *A Historic Angus Journey*, written by Keith Evans, and expanded through contributions from members across the country.

Receiving \$5,000 scholarships in remembrance of the late Dick Spader were Katie Friederichs, Walcott, Iowa; and Jordyn Wagner, Billings, Mont.

Angus/Talon Youth Educational Learning Program Scholarships. Camron “Cam” Cooper, owner of the Talon Ranch located in Twin Bridges, Mont., was a woman who loved the land and Angus cattle. She believed in educating our children, who are the future of the beef industry. At the Angus Foundation’s Supporter Recognition Event in Louisville, Ky., in 2009, Cooper announced that she made a significant bequest gift by

naming the Angus Foundation as a charitable beneficiary of her estate.

Cooper established the Angus/Talon Youth Educational Learning Program Endowment Fund with outright cash gifts through the Angus Legacy Society to give \$5,000 undergraduate scholarships in 2010 to 10 Angus youth who satisfied the first preference for field of study in animal science and range management, had a minimum 3.0 cumulative GPA, with preveterinary medicine students specializing in bovine (large) animal practice also given strong preference, and with the \$5,000 scholarships renewable up to four years contingent on the recipient’s continuing to meet the requirements.

The individuals continuing to receive the Angus/Talon undergraduate scholarships in 2016 include Madison Butler, Vincennes, Ind.; Michael Cropp, Damascus, Md.; Macy Perry, Prather, Calif.; Cheyenne Jones, Franklinton, La.; Will Pohlman, Prairie Grove, Ark.; Alex Rogan, Brandon, S.D.; and Cooper Sadowsky, Eagleville, Mo. Receiving the \$10,000 Angus/Talon Youth Educational Learning Program Graduate Scholarship was Esther McCabe, Elk City, Kan.

Howard and JoAnne Hillman/Bon-View Farms Angus Scholarship. Funded during the *Vision of Value: Campaign for Angus*, a capital campaign for the Angus breed that concluded in 2011, the Howard and JoAnne Hillman/Bon-View Farms Angus Scholarship Endowment Fund initially will allow for one \$1,000 scholarship annually, with preference given to a South Dakota Angus junior.

Howard and JoAnne Hillman of Sioux Falls, S.D., are no strangers to the Angus breed. From 1908-1999, their Angus seedstock operation, Bon-View Farms of Canova, S.D., produced quality, elite cattle through financial prosperity and hard economic times, and the sacrifices of many. They had many successful appearances in national showings through the years and offered genetic advancements to the Angus breed through annual production sales.

Even after their dispersal sale in 1999,

Gary Brost LEAD Award. In honor of his accomplishments in the Angus breed, friends and family of the late Gary Brost of Harrodsburg, Ind., have created the Gary Brost LEAD Award Endowment Fund. Brost, an Angus breeder for many years, was a pioneer in the Angus business. In addition to raising two national champion Angus bulls, he was named a Master Breeder at the All-American Angus Breeders' Futurity.

This fund will annually award two (or more) NJAA members with resources necessary to defray registration costs to attend the LEAD conference. Preference will be given to applicants with a farm/ranch background from the states of Indiana and Illinois. The Angus Foundation Undergraduate Scholarship Program application will be used to select recipients, who remain eligible to receive other scholarships from the Angus Foundation or local, state, regional and national Angus-related entities.

Receiving the Gary Brost LEAD Award for 2016 was Sarah Innis, Milroy, Ind.; Andrew Livingston, Nokomis, Ill.; Benjamin Marsh, Union, Ill.; and Krisha Retherford, Indianapolis, Ind.

Certified Angus Beef LLC/National Junior Angus Association Scholarship. A long-standing scholarship awarded through the Angus Foundation is the Certified Angus Beef LLC (CAB)/NJAA Scholarship. To be eligible to receive this scholarship, applicants must have at one time been an NJAA

member and must currently be a junior, regular or life member of the American Angus Association, along with being an incoming sophomore, junior or senior in college majoring in animal science, meat science, food science, agricultural communications or a related field of academic study.

Hansen will continue through a \$10,000 scholarship endowment that will provide one college-bound Angus junior member from Iowa a scholarship each year.

Hansen was an active member of the American Angus Association. He grew up in Dixon, Iowa, and assisted his father with the Angus herd at Laudmere Farm, which was established in 1931. He held several leadership roles in the Eastern Iowa Angus Association and was a strong advocate for Angus cattle and the agricultural industry. In 2009, he was inducted into the Angus Heritage Foundation. The recipient of the Oliver A. Hansen Family/Laudmere Farm Angus Scholarship must have at one time been an NJAA member and must currently be a junior, regular or life member of the American Angus Association. The recipient must also be a resident of Iowa and a member or past member of the Iowa Junior Angus Association for at least four consecutive years. Graduating high school seniors or students

Horton Angus Scholarship Endowment Fund to honor Gregg's longtime friend, mentor and Angus partner, James Edwin Horton Jr. The fund was started with a gift of \$20,000 in 2006. Today it is funded at more than \$30,000 as Alabama Angus breeders and other family members have continued to contribute to the fund in tribute to "Mr. Ed," as he was fondly known.

A leader in the Angus breed for many years, Horton served as a director and president of the American Angus Association during the 1970s. He was instrumental in the acquisition of the *Angus Journal* and establishing CAB, and he led the efforts for the eventual creation of the Angus Foundation.

The \$1,500 James E. Horton Junior Angus Scholarship was awarded to Reid McGuire, Waverly, Ala.

Jean Ann (Neumeyer) Bojorquez Memorial Angus Scholarship. In October 2007, Bob and Hollyce Neumeyer of Jaybee Ranch, Bonners Ferry, Idaho, established the Jean Ann (Neumeyer) Bojorquez Memorial Angus Scholarship, in memory of their daughter, with a \$10,000 gift to the Angus Foundation. Jean Ann was very active in the Angus breed, showing Angus cattle and competing in junior activities at local, state, regional and national levels. As a young adult, she continued her involvement in the Angus breed, owning cows with her parents at the ranch.

More than \$17,000 was raised in a fund drive led by friends in the Angus breed across the country to ensure the late Mack C. Olson's legacy would be carried on in perpetuity after a fatal automobile accident in December 2007.

Mack was a member of the American Angus Association, the Montana Angus Association, the Western Montana Angus Association and a director for the Western Montana Stockgrowers Association. The Olson family raises cattle in the Mission Valley area at Saint Ignatius, Mont.

The Mack C. Olson Memorial Angus Scholarship of \$500 went to Nicholas Prevo, Pulaski, Iowa.

NJAA Alumni and Friends Scholarship.

Developed by the 2009-2010 NJAA Board of Directors, the objective of the NJAA Alumni and Friends Scholarship Endowment Fund is to create more scholarship opportunities for deserving Angus youth of the NJAA and to inspire other juniors and alumni to give back to the NJAA.

Bob and Margaret Duprey of Cherry Knoll Farm, West Grove, Pa., have pledged a total of \$25,000 in matching funds to support the NJAA Board Alumni and Friends Scholarship Endowment Fund. A different recipient will receive the scholarship each year. The Angus Foundation Undergraduate Scholarship Program application is used to select the scholarship recipient.

Funded at his death in 1988 with in-memory contributions to the Berkshire Taconic Community Foundation in Great Barrington, Mass., the Roscoe L. Richardson Memorial Scholarship Endowment Fund of \$10,000 was later established with the Angus Foundation in early 2007. Hill Crest Farm at Delaplane, Va., was started in 1924 by John Rucker's father, Bayard Ambrose Rucker, and produced quality Angus cattle for more than 70 years. John and his wife, Marjorie, and their three daughters, Connie, Sue and Penny, were also involved in positions of leadership and service to the Angus breed.

In honor of the Rucker family's stewardship and involvement, Dwight and Carolyn Huff of Holly Hill Farm, Mount Sidney, Va., decided to create the John Rucker Family Angus Scholarship Endowment Fund with a \$10,500 gift to the Angus Foundation to provide educational scholarships to deserving youth of the Virginia Junior Angus Association.

Angus youth from North Dakota who meet the qualifications and requirements for the Angus Foundation Scholarship Program will be eligible for consideration by the Angus Foundation Scholarship Committee for this scholarship. The scholarship will be awarded to a different recipient each year based on the Angus Foundation Undergraduate Scholarship Program application. The first scholarship was awarded at the 2006 NJAS. Ray Sims Angus Scholarship.

In 2010, Ray Sims became the first auctioneer in more than 50 years to receive the prestigious Saddle & Sirloin Club's Portrait Award.

Sims, formerly of Raymore, Mo., helped develop purebred auctions into fast-paced and steady marketing venues. During his 46-year career, Sims traveled throughout the United States, selling for both large- and small-scale livestock breeders, including U.S. senators and three U.S. presidents — at more than an estimated 7,000 auctions with the majority of these being registered-Angus cattle sales.

Once expenses were satisfied for the portrait painting of Sims now on display in the Saddle & Sirloin Portrait Collection in Louisville, Ky., the Ray Sims Portrait Committee generously donated the remaining funds of more than \$20,000 to the Angus Foundation to establish the Ray Sims

Vance Uden Memorial Angus Scholarship. Vance Uden purchased his first Angus heifer at age 12. From then on through his teenage years, he faithfully waited by the mailbox for his *Angus Journal*. Vance; his wife, Connie; and their two sons, Ty and Dru; built the widely respected TC Ranch, producing numerous well-known Angus sires.

An animal science graduate of the University of Nebraska, Vance was also a respected cattle judge for many breeds and had judged all the major shows. He was a strong supporter of youth and guided many to their start in the Angus business.

Continuing students majoring in animal science or agribusiness with plans to return to

Woodlawn Farms Angus Scholarship. In 2005, Blanford and Joan Pierce of Creston, Ill., donated \$25,000 to establish the Woodlawn Farms Angus Scholarship Endowment Fund through the Angus Foundation. Angus cattle resided at Woodlawn Farms for 125 years, from 1881–2005. The Pierce family's legacy is carried on through this scholarship. The Woodlawn Farms Angus Scholarship, in the amount of \$1,250, was awarded to Alexis Cash, York, Pa.

"In a League of Our Own" Angus Foundation Scholarships. The Angus Foundation awarded scholarships made possible by 2012 NJAS host states Kentucky, Ohio and Tennessee. Excess funds raised for the 2012 NJAS in Louisville, Ky., themed "In a League of Our Own," allowed funding of a \$15,000 scholarship endowment to benefit Angus youth from those three states. Funds were initially to be used to support three undergraduate scholarships at \$500 each for a total expenditure of \$1,500 annually.

The announcement of this scholarship fund was made during the 2013 National Western Stock Show in Denver, Colo., where the 2012 NJAS host states presented \$115,000 to the Angus Foundation. In addition to making \$15,000 available for youth scholarships, the donation allowed for \$5,000 to help support the 2013 NJAS; \$5,000 for the Angus Foundation's use for education, youth and research; and the balance of \$90,000 for a future NJAS involving Kentucky, Ohio and Tennessee.

The 2012 NJAS Committee included Charlie and Paula Boyd of May's Lick, Ky.; John and Joanie Grimes of Hillsboro, Ohio; and Lydell and Holly Meier of Clinton, Tenn.

The winners of the 2012 NJAS "In a League of Our Own" scholarships in the amount of \$500 were Kaitlin Fouts, London, Ky.; Caroline Miller, Lindsey, Ohio; and Mary Oliver, Union City, Tenn.

One of only a few herds that have maintained more than 200 registered-Angus cows for more than 50 years, Bradley 3 Ranch today has more than 400 Angus cows. James and Mary Lou established the James and Mary Lou Henderson/Bradley 3 Ranch Angus Scholarship Endowment Fund in 2013. Applicants from New Mexico, Oklahoma and Texas majoring in agriculture and business fields of study will be given first preference.

Receiving the James and Mary Lou Henderson/Bradley 3 Ranch Angus scholarship for 2016 in the amount of \$500 was Karisa Pfeiffer, Orlando, Okla.

To be considered for this scholarship, applicants must be entering their sophomore, junior or senior year in college and be a current or past member of the Arkansas Junior Angus Association. Angus youth from Arkansas wishing to apply for this scholarship must complete the Angus Foundation

Kansas Angus Association Scholarship. In 2007, sale proceeds from donated heifers, memorial gifts and other contributions from Angus breeders and friends in Kansas helped the Kansas Angus Association establish the Kansas Angus Association Scholarship Endowment Fund at \$10,000. Subsequent gifts to the fund continue to be made. The fund provides scholarships to Angus youth from Kansas attending college and/or supports sponsorships for Kansas youth to attend the national LEAD Conference.

This year, the \$1,000 Kansas Angus Association Scholarship was awarded to Jackson Wingert, Ottawa, Kan.

The Montana Angus Youth Scholarship.

The Montana Angus Association and Montana Angus Auxiliary's creation of a \$25,000 scholarship endowment within the Angus Foundation to establish the Montana Angus Youth Scholarship (MAYS) was based upon the two organizations' shared goal to award a scholarship to a student continuing at least his or her second year of higher education.

The recipient of the scholarship must have at one time been a National Junior Angus Association member and must currently be a junior, regular or life member of the American Angus Association. The recipient must also be a resident of Montana and a member or past member of the Montana Junior Angus Association.

The recipient must be pursuing at least his or her second year of higher education, as no graduating high school seniors will be considered. The scholarship must be applied to undergraduate studies and is applicable to any field of study. The Angus Foundation Undergraduate Scholarship Program application will be used to select the MAYS recipient. Recipients may also receive other scholarships from the Angus Foundation or local, state, regional and national Angus-related entities.

Receiving the MAYS for 2016 in the amount of \$1,500 was Beau Bromenshenk, Billings, Mont.

Pennsylvania Angus Youth

Undergraduate Scholarship. The Pennsylvania Angus Youth Undergraduate Scholarship was initiated and supported by the Pennsylvania Angus Association and Angus breeders from that state.

Fundraising efforts are under way to build this scholarship endowment toward its goal of \$25,000. Along with other Pennsylvania cattlemen, Bob Hay, manager of ErReR Hill Farms, Friedens, Pa., has helped lead the scholarship fundraising efforts.

"I think it is very important to support our youth, as they are the future of our industry," Hay says. "I am really impressed with all the

projects and contests the juniors are involved in at the national junior show. These contests teach them a lot about the industry and help train them to be future leaders of the Angus breed. Anything we can do to support them will pay dividends in the future."

Eric Shoop, Dalmatia, Pa., received the \$500 2016 Pennsylvania Angus Youth Undergraduate Scholarship.

Texas Angus Association Scholarships.

As a feature of the \$11 million national fundraising initiative, Angus breeders in Texas raised \$250,000 to match a \$250,000 challenge gift by Klaus and Bonnie Birkel of Camp Cooley Ranch, Franklin, Texas, as part of The Texas Challenge in 2007. The Birkels committed \$75,000 of their gift to create the Texas Angus Association Scholarship Endowment Fund.

Continuing to build on this success, the Texas Angus Association and Angus breeders in Texas raised their goal to \$1 million in 2008 through The Texas Challenge II. More than \$600,000 in outright cash gifts and pledges toward the state's goal have been contributed. From these contributions and continued support, five youths from Texas have received \$1,000 scholarships annually.

Receiving scholarships for 2016 were Tanner Hash, Archer City, Texas; Hannah Steph, Tatum, Texas; and Emily Stovall, Corsicana, Texas.
