## Photography contest deadline May 15

Don't forget to submit your entries for the NJAA/*Angus Journal* Photography Contest before May 15!

Entries must be postmarked by May 15 to allow adequate time for judging and prepping the photos for display at the National Junior Angus Show (NJAS) in Grand Island, Neb., July 3-9. Late entries will not be accepted.

Photos will be evaluated on creativity (60%) and composition (40%). The "around the farm or ranch" category provides the opportunity to enter photographs that highlight activities and scenes around the farm or ranch, but that do not necessarily have Angus cattle in the photograph. The other three categories — Angus cattle, landscape and people — are intended for photos that focus on Angus cattle, Angus in the landscape, or Angus people.

Photos should be submitted as 8×10-inch (in.) or 10×8-in. prints mounted on 10×14-in. or 14×10-in. black foam core board. In addition to the mounted print, digital photo entries must be submitted electronically on CD or DVD, as well. Photos should not be framed. See additional rules in the February issue or online at [www.angus.org/NJAA/Contests/Photography\\_rules.pdf](http://www.angus.org/NJAA/Contests/Photography_rules.pdf).
