

## FEEDLOTS SEEKING ANGUS CATTLE

Responding to requests for information on operations feeding cattle, the American Angus Association's Commercial Programs Department has assembled a list of feedlots. This resource includes vital information, services available and marketing options on each of the feedlots. Following is an abbreviated version of that resource. For more information, contact Jim Shirley, director of commercial programs and vice president of industry relations, at (816) 383-5100 or [jshirley@angus.org](mailto:jshirley@angus.org). More information about the Commercial Programs Department and the services it provides is available on the Association's Web site, [www.angus.org](http://www.angus.org).

### COLORADO

#### 1256 Cattle Co.

26795 Hwy. 34, Wray, CO 80758;  
(970) 332-5300  
Capacity: 5,000 • Min. group: 25

#### 4M Feeders Inc.

2955 CR 30, Stratton, CO 80836; (719) 348-5577; fax: (719) 348-5623  
Capacity: 15,000

#### Adamson Bros. & Sons Feedlot

PO Box 321, Wray, CO 80758; phone/fax:  
(970) 332-3123

### SUPPLY DEVELOPMENT TEAM: Here to serve you

► **Larry Corah**, vice president, oversees the CAB Supply Development, Packing, and Industry Information divisions.

► **Mark McCully**, director, Supply Development Division, supervises the

division and its staff, with added focus on the National Angus Carcass Challenge and other producer programs.

► **Gary Fike**, feedlot specialist, Supply Development Division, works closely with current and prospective licensed feedlots from Iowa east and Kansas south.

► **Paul Dykstra**, feedlot specialist, Supply Development Division, works closely with current and prospective licensed feedlots from Nebraska north and Colorado west.

► **Steve Suther**, director, Industry Information Division, writes about CAB producer issues for Angus and other beef publications. Directs all CAB efforts to communicate with producers.

► **Lance Zimmerman**, industry information assistant, writes and helps organize work plan to increase producer commitment to hit the CAB target; emphasis on Web site development.

► **Wendy Nichols**, office and data manager, assists all Kansas supply development staff and coordinates data entry through the Manhattan office; provides assistance for licensed feedlot activities.
