

Roll of Victory Standings

Final point standings tabulated for the 2015-2016 ROV show year.

The final point standings for the 2015-2016 show year have been tabulated for the American Angus Association Roll of Victory (ROV) Show Program.

Winning Show Bull of the Year with 85 points is C&C Blue Ribbon 4010. The January 2014 son of EXAR Blue Chip 1877B is owned by Ryan Callahan, Edmond, Okla.; and Express Angus Ranches, Yukon, Okla.

Show Heifer of the Year, with 92 points, is Champion Hill Georgina 8547, a November 2013 daughter of SAV Angus Valley 1867, owned by David Smith, Boulder, Colo.

PVF Insight 0129 won Sire of the Year honors with 1,360 points. The April 2010 son of SAV Brilliance 8077 is owned by Prairie View Farm, Gridley, Ill.; and Express Angus Ranches.

Points were awarded according to placings and were accumulated throughout the course of the show year, which ended May 31, 2016. An animal's highest two point earnings in super-point shows and highest two point earnings in recognized point shows were totaled to establish the Show Bull and Show Heifer of the Year, as well as division champion awards.

If an animal is shown at more than two super-point shows, the points from the third and fourth super-point shows can be given at a regular point level.

The ROV program recognizes the individual show-winning animals and the sires and dams of major award winners on an annual, current-year basis. Points are not accumulated from year to year. Awards for the champion show heifer, show bull and breeder of the year will be recognized and awarded at the 2016 Angus Convention to be hosted Nov. 5-7 in Indianapolis, Ind. Other award winners will be recognized at the North American International Livestock Exhibition in Louisville, Ky., in November 2016.

Access standings for the current show year online at www.angus.org.

Editor's Note: Point standings are provided by the American Angus Association.

SHOW BULL of the Year

RANK	NAME	POINTS
1.	C&C Blue Ribbon 4010	85.0
2.	S&R Roundtable J328	80.0
3.	DDA Gemstone 1439	79.0
