

Salering Summary

► Reports from production and dispersion sales nationwide

The following listing is a summary of sales reported since publication of the last *Salering* insert, which was in the May 2006 issue. Sales are presented in alphabetical order with herd location; sale day; and reported number of lots sold, sale gross and sale average.

Complete summaries of the sales are posted to www.angusproductions.com/api_salering.html. Online sale reports include top lots, category averages, auctioneer(s), sale manager(s), Angus Productions Inc. (API) representative(s) and volume buyer information.

At the June 2006 Board of Directors meeting, the API Board voted to provide this summary on a monthly basis as a more timely reporting of sale averages to the readership, while encouraging members to go online to view the full sale report. The *Salering* insert will no longer be published.
