

A Note from *Angus Journal* Web Services

Friday, November 8, our Web Services Creative Director Tim Blumer died suddenly of a heart attack. He worked for the *Angus Journal* in the Web Department for 10 years. Currently we are experiencing some delays in starting new web sites and completing some updates. We want to assure you that this is temporary and will get back up to speed in a timely manner. Please contact us if you have any questions.

Thank you,
