

Ultrasound Technicians

The following list contains names of ultrasound technicians within the United States, Argentina and Canada who are currently certified through the Ultrasound Guidelines Council (UGC; see www.aptcbeef.org) and approved to submit images to central processing labs. Only scans submitted by certified technicians to labs with an agreement with the American Angus Association will be accepted for calculating ultrasound expected progeny differences (EPDs) for the American Angus Association. For more information, contact the Performance Programs Department at the Association at 816-383-5100.
