Mark Sexton, Manager (918) 541-0418 • Fax (918) 683-0950
Paul R. Moore, Owner • tfr-paul@hotmail.com

Dear Friends and Fellow Cattlemen,

Paul, Paula and I would like to welcome you to the Third Annual Friday Night Bull Session at Three Forks Ranch, on Friday, April 16 at 6 P.M. This is the deepest set of bulls ever offered at Three Forks Ranch. We have bred these bulls with the commercial cattleman in mind, with a large selection of the bulls being highly recommended for use on heifers or if its power and performance bulls you need look, no further. There are several high growth, high WW and YW EPD bulls in the offering. All bulls have been screened on phenotype, disposition, performance, fertility, and soundness.

Three Forks Ranch knows that it is you, our customers who keep us in business; with that in mind we have collaborated with Stilwell Livestock Auction to have a "Special/Wean Vac Sale" this fall. We will work with any past or present customers to get your cattle enrolled in this sale; we just want to help our customer's premium cattle to command premium prices. There are order buyers wanting to buy your high quality cattle. We would also like to help you add value to your calves by enrolling them in ABS Globals Age and Source Verification program that I run in Oklahoma and Arkansas. This is a real revenue receiving program, with many testimonials being available.

Dr. Kevin Fenton of Stigler, OK has fertility tested all the bulls and pregnancy tested all the bred heifers that are in the sale. Dr. Fenton is one of the most thorough veterinarians in the country, and we use him to weed out the bulls that will not work for you. This offering has had it all from a healthcare stand point, they are also Range Ready Guaranteed, from Boehringer Ingelheim.

Feel free to call or come by anytime to view the sale offering. We would like to thank long time bull customer Arrowhead Ranch of Wagoner, OK for consigning their top cut yearling heifers.

If you cannot attend the sale, but would like to purchase bulls or females, feel free to contact myself or Dustin Layton (405-464-2455) or any other member of the Three Forks Ranch crew. Your bids will be handled with strict confidence.

Thank you,
Mark A Sexton

Paul and Paula Moore

Welcome Beef Producers & Angus Breeders to the 3rd Annual Three Forks Ranch "Friday Night Bull Session". If this is your first trip to Three Forks Ranch, we welcome you. If you are a repeat bull buyer, we welcome you back and thank you for your interest in Three Forks Ranch genetics. I would like to thank Paul and Paula Moore and Mark Sexton for giving me the opportunity to promote and merchandise their Angus seed stock.

About the offering, the offering is highlighted by some of the most sought after genetics in the Angus breed. Three Forks Ranch thrives on producing a product that is problem free for their customer. They come light at birth, excel in growth and go on to make excellent brood cows. Lots 1 & 2 exemplify the terms phenotype, soundness, and performance. You can drive a lot of miles and not find herd bulls of this caliber. Lot 4, co-owned with Sawoaks, is a maternal brother to the ABS sire 3F Emblazon 3652 who sold over 17,000 units of semen last quarter and individually may be better. Lot 16 is one the best constructed Objective's I have seen to date and has the data to back it up. Lots 17 and 18, co-owned with Finley Brothers, combines growth and \$B in an attractive package. I could talk all day long about the bulls but I will let you decide which one fits your programs needs the best.

Following the bulls we will have 50 commercial open ready to breed Angus based yearling heifers. An elite set of 30 fall bred heifers will be offered carrying the AI service of ABS Global member 3F Emblazon 3652 and were pasture exposed to an EXT maternal brother to 3F Emblazon 3652.

On behalf of Three Forks Ranch they invite you to view the cattle any time before the sale and to come and enjoy the barbeque party the night of the sale. We look forward to seeing you on Friday April 16th and if you have any questions about the offering, please do not hesitate to call.

Sincerely,

Dustin N. Layton

Bull Guarantee

All bulls selling have passed a Breeding Soundness Examination within 30 days prior to the sale. If injured within the first breeding season (in case of bulls, making them functionally infertile) we will provide you a satisfactory replacement or issue a credit equal to your purchase, minus the salvage value that may be used toward the purchase of any animal in future Three Forks Ranch Bull Sales. Breeding season is defined as the 90-day period following the first turn out of the bulls. If you do not intend to use the bull for some time after purchase, we suggest an additional BSE by a licensed veterinarian to assure the highest conception rates possible. We suggest normal management practices in caring for your cattle. This fertility guarantee does not cover a bulls' ability to produce freezable high quality semen suitable for artificial insemination.

Purchase 5 or more bulls and receive 5% discount

Range Ready Health Protocols

Coverage under the Range Ready Limited Health Warranty requires adherence to a specific health protocol. The health protocols outlined in Tables 1 and 2 show the timing of vaccinations and diseases (antigens - viruses and bacteria) that must be vaccinated against and the suggested BVI vaccines to use. Table 1 outlines the protocol for Bulls and Heifers Born and Developed on the Ranch. Table 2 outlines the protocol for Heifers Purchased for Development as Replacements.

Table 1: Health Protocols

Bulls and Heifers Born and Developed on the Ranch

Timing of Vaccinations and Antigens to Vaccinate Against

Calves 1-3 Months of Age

IBR, BVD Types 1 & 2, PI, BRSV (MLV)*
 7-way clostridial (Blackleg)
 Test for BVD PI
 *MLV = modified live virus vaccine.
 Administration of Pyramid or Express vaccines to calves nursing pregnant cows require the cow be vaccinated prior to breeding.

Weaning

Two doses of vaccinations: 3-4 weeks pre-weaning and weaning or at weaning and 3-4 weeks post weaning.

2 doses: IBR, BVD Types 1 & 2, PI, BRSV*
 1 dose: M haemolytica & P multocida**
 1 dose: 7-way clostridial (Blackleg)***
 Cydectin†

*MLV required at weaning.
 **Although only a single dose is required, a booster may be recommended.
 ***With Caltier 7 should be repeated in 21-28 days. Alpha 7 requires only a single dose if over 3 months of age.
 †P multocida vaccination is optional.

Bulls: 30 - 60 days prior to sale

(-12 to 18 months of age)
 IBR, BVD Types 1 & 2, PI, BRSV (MLV)
 Campylobacter fetus + 5-way Lepto
 7-way clostridial (Blackleg)
 Cydectin†

Heifers: 30 days prior to breeding or, Prior to sale at 12 - 14 months of age

IBR, BVD Types 1 & 2 (MLV-FP* product)
 Campylobacter fetus + 5-way Lepto
 7-way clostridial (Blackleg)
 Trichostrongylus axei (optional)
 Cydectin†
 *Express® FP and Pyramid® products can be used for fetal protection.

Pregnant Heifers: Sold at 18 - 20 months of age
 (-30 days prior to sale)

IBR, BVD Types 1 & 2, PI, BRSV (MLV-FP* product) + 5-way Lepto
 Cydectin†
 *Express® FP and Pyramid® products can be used for fetal protection.

Table 2: Health Protocols

Heifers Purchased for Development as Replacements

Timing of Vaccinations and Antigens to Vaccinate Against

Upon Arrival

IBR, BVD Types 1 & 2, PI, BRSV (MLV)
 M haemolytica & P multocida
 7-way clostridial (Blackleg)
 Cydectin†
 Test for BVD PI
 †P multocida vaccination is optional.

2 - 4 Weeks after Arrival

IBR, BVD Types 1 & 2, PI, BRSV (MLV)
 7-way clostridial (Blackleg)

Open Heifers: 30 days prior to breeding

or
Prior to sale at 12 - 14 months of age

IBR, BVD Types 1 & 2 (MLV)
 Campylobacter fetus + 5-way Lepto
 7-way clostridial (Blackleg)
 Cydectin†
 Trichostrongylus axei (optional)

Pregnant Heifers: Sold at 18 - 20 months of age
 (-30 days prior to sale)

IBR, BVD Types 1 & 2, PI, BRSV (MLV-FP* product) + 5-way Lepto
 Cydectin†
 *Express® FP and Pyramid® products can be used for fetal protection.

- *Broadway is certainly one of the most talked about and intriguing bulls to surface this spring as he combines performance and looks like none of his counterparts before him. He is tremendously big bodied, super sound, big footed, has big testicles and puts it all in an ultra cool package. Broadway is without a doubt the type of cattle we are striving to produce at Three Forks Ranch, that come moderate at birth and excel in growth and put it all together in a package super attractive package.*
