Welcome to the 7th annual President's Day Angus Sale. What a difference a year makes; the cattle market has bounced back in a positive manner as the rejuvenated export market leads the charge.

We are excited to showcase this year's offering as we feel it's the deepest set to date. This continuous improvement is a result of our diligent work to insure the quality runs deep. Both the Albrecht and Penz programs have a steadfast commitment in producing the very best, year after year. As always, the bulls are developed on a high roughage ration to ensure longevity and the females are from some of the top ranches that have purchased bulls in past production sales. These are top quality females that will be great additions to any herd with a lifetime of earning power.

As the markets continue to evolve globally, the demand for Angus genetics will continue to strengthen and the investment in top quality Angus genetics will pay dividends for years to come. We know our success depends on the success of our customers and we are committed to serving you, as your satisfaction remains our highest priority. We welcome visitors at any time and look forward to seeing you on sale day.

Jeff Penz, Kelly Albrecht

VOLUME DISCOUNTS ON BULLS:

5% on purchases of 5 to 9 bulls by a single buyer
10% on purchases of 10 or more bulls by a single buyer

The auction will be conducted in a heated facility with videos of each bull running during the sale while the bulls will be on display outside the facility for inspection.

A low birth weight calving-ease prospect with an individual birth ratio of 84.

The dam of this bull has a progeny birth ratio of 95 combined with a progeny weaning ratio of 100 on five calves and a progeny yearling ratio of 103 combined with progeny IMF and ribeye ratios of 105 and 107, respectively on three head.

The grandam is a Pathfinder Dam.

One of the most common concerns I hear from commercial producers using Angus genetics is the size of calves at birth. Instinctively, my first thought is that the producers experienced calving problems due to the calves being too large at birth. However, the problem generally tends to be just the opposite, where the calves have been extremely small and light at birth, struggled to nurse and never caught up with their contemporaries from a growth standpoint.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

This year's sale will again be broadcast live through Superior Productions. **Superior Livestock has moved to Channel 232 on Dish Network and DirectTV Channel 603.** You must pre-register to receive a bidding number by calling 1-800-431-4452, whether you plan to purchase using the internet or by bidding by phone. Video of all sale animals will be available on our website at schieffelbeinfarms.com around February 9.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding platform for cattle buying. **Please note that high speed internet is required - this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a

member is easy - just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail or call confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 232 and DIRECTV channel 603. *Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

Buyers will be contacted by the ranch after the sale for payment and delivery details. IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.
