

# **ANKONY FARMS**

## **9<sup>th</sup> ANNUAL PERFORMANCE-PLUS BULL SALE**

Guest Consignors: Ayres Angus, Gohr Angus, K-D Angus, Rolfe's Angus Acres,  
Ty Kliewer, Owings Cattle Service and Teixeira Cattle Co.

**February 15, 2010 at 1:00PM**  
**Holiday Ranch • Terrebonne, Oregon**

**Selling 85 Angus • Sim-Angus Bulls • Red Angus  
& elite fundraising items to benefit  
WATER FOR LIFE / 5 Rivers Grazing Defense Fund**

# ANKONY FARMS FUND RAISING

**Auction Items:** In a small way, Ankony is helping two worthy causes at the 2010 Annual Bull Sale

## WATER FOR LIFE

### Item A

**Saskatchewan Duck and Snow Goose Hunt - 4 days and 5 nights for 2 people.** Trip includes: Lodging, meals, hunting guides, transportation to and from hunting camp, decoys, blinds and boat. Not included is: airfare to Saskatoon, transportation from airport to hunting lodge (2 1/2 hour trip by car). You will need to supply passport, warm clothing, guns and dogs (optional). Hunts are available from mid-April to mid-May and early September to early November. The auction winner may double their bid and take four people on this once-in-a-lifetime experience. This package is donated by Sykes Mitchell, owner of Living Sky Outfitters. For more information contact Sykes Mitchell at (541) 549-6030 or info@livingskyoutfitters.com.  
Value for 2 people = \$5,600.

### Item B

**Hal Schudel Guided Salmon Fishing Trip** - One-day boat fishing trip for 2 to 3 people on the Coastal Rivers around Newport, Oregon with Hal and his son Steve. One night's lodging will be provided. Trip will take place in late September and will be arranged with Hal Schudel. This package is donated by Hal Schudel and Holiday Tree Farm.  
Value = Fishing all day with Hal and Steve is, of course, priceless!

## FIVE RIVERS GRAZING DEFENSE FUND

### Item C

**5 days and 4 nights stay at an elegant beach house in Cayucos, CA.** This house sleeps 8 and is less than 20 miles from Cal Poly and would be available for Cal Poly graduation or Poly Royal weekends. This opportunity is graciously donated by Teixeira Cattle Company, Pismo Beach, CA. Rental rate would be in excess of \$2,000. Time of use to be mutually agreed upon.  
Value = A lifetime of fond memories.

### Item D

**OPPORTUNITY TO CREATE YOUR OWN BULL!** Ankony Farms and Teixeira Farms will offer the opportunity to mate and flush any of their elite donors to the sire of your choice and you will then have first choice to select a bull calf born from this entire flush by November 2011. Ankony will pay all flush costs, costs to raise bull calf to weaning, and registration costs. Buyer of this auction item will own full possession and 50% semen interest in their selected bull. The Ankony donors will be on display at the bull sale.  
Value = Unlimited upside potential.

- Some of the available donors -

Dear Fellow Cattle Producers:

On behalf of Virgil Lovell, Cody Chabot and myself, welcome to the 9th Annual Ankony Farms Bull Sale. Your consideration of this offering is greatly appreciated. 2009 was filled with many memorable moments... we sold 230 bulls into six states; Holiday Destination 5216, the high-selling bull in the 2007 bull sale is now the sixth highest \$Beef sire in the Angus breed; the Grand Champion female at the 2009 NILE in Billings, Montana was bred and raised in the Ankony Oregon unit; and 2009 also saw Ankony finalize the largest private treaty sale in the history of the cattle industry.

The volume of our 2009 cattle sales has given us a new opportunity for the 2010 Bull Sale. We have joined forces with some of the most forward thinking seedstock breeders in the country. These innovative breeders expand the potential for our commercial cattle customers.

**Participating in this year's sale are:**

Rolfe's Angus Acres - Fred, Nancy and Tom Rolfe. The Rolfe family has purchased three top-selling bulls in previous sales from Ankony-Holiday Ranch. For over four decades the Rolfes have been building a functional, no-nonsense cow herd with bulls that work for ranchers. Selling six two-year-olds and 10 yearlings.

K-D Angus - Kim Delashment has as good an eye for finding powerful bulls and females that are the right kind as anyone I have ever worked with. A special feature in this year's sale is Kim's pen of three bulls that will be shown at the 2010 Denver Stock Show. Selling three two-year-olds and four yearlings.

John and Allan Teixeira families are special people who have become over the last three years great friends. The Teixeiras have built an impressive farming business in California and have built a cattle operation that has sold cattle from coast to coast and border to border. Their 2010 bull sale offering contains many sons from their original purchase of Ankony females in 2007. Selling 13 fall yearlings, four half bloods and two spring yearlings.

Gohr Angus - Brad and Dawn have been in the purebred cattle business for the 25 years that I have known them, first as 4-H members and now as agricultural professionals. The Gohrs are cutting a wide swath in the purebred cattle business with national awards and cattle championships piling up every day. Selling four fall yearlings.

Mike and Lisa Owings have as much experience in the purebred business as anyone I know in Oregon. This experience has paid off by producing year after year powerful bulls that have been well received at the Red Bluff and Klamath Bull Sales as well as private treaty sales. Selling three Red Angus two-year-olds as Lots 42, 43 and 44.

Ayres Angus - Tom and Cara Ayres. It seems like yesterday when I first met Tom Ayres and Cara Pascalar while judging the Junior Show at the 1984 Oregon State Fair. In case you are curious, Cara had the champion Angus heifer that day. Whatever Tom and Cara have done, they have been trailblazers whether we are talking about their judging careers at Oregon State University, their professional careers or the purebred cattle enterprise. Tom and Cara have shown champions and bred two bulls in AI studs. Selling 12 spring yearling bulls.

Ty and Brooke Kliewer - Passion for success and agriculture is what you will find in this young couple. Ty was a memorable student at OSU for me, aide to Senator Gordon Smith during the Klamath water crisis and now a full-time farmer and rancher. Watch this young couple who will make a mark in the cattle industry. Selling five fall yearlings.

Ankony Farms will be offering 11 fall yearlings obtained from our long-time friend, Dr. Duane Pancratz, owner of LaGrand-Hoff Angus. LaGrand Angus is the home of much of the original Holiday Ranch program genetics including Paradox 1040, 2631 the dam of Holiday Destination 5216 and the Bon View herd. Additionally, Ankony is offering a set of spring yearlings highlighted by three full brothers from the long-time Holiday-Ankony donor, 2613.

Consistent in 2010 with our past sales is our collective commitment to customer service before, during and after our bull sale. You have the commitment that we will promote your cattle like they were ours when you sell cattle on the video sales. We are also pleased to help two worthy causes: Water for Life and the 5 Rivers Grazing Defense Fund with the benefit auction items listed on the previous page.

I can consider it a privilege to be considered your genetic partner in your cattle business. I will continue to work hard to be worthy of your consideration. We never lose sight of the fact that "**Our most important bull is yours!**" Hope to see you on sale day, Monday, February 15, 2010, Presidents Day, in Terrebonne.

Best regards,

*Tom Hill*

Tom Hill  
President, Ankony Farms

Murrey Fretz

*Oregon Beef Producer* - (541) 478-2900

Jerry York

*Western Livestock Journal* - (208) 863-1172

**Sale Consultant:** Ryan Cotton - (706) 206-8361

### Guest Consignors

Ayres Angus, K-D Angus, Rolfe's Angus Acres, Teixeira Cattle Co., Ty and Brooke Kliever, Owings Cattle Services and Gohr Angus.

### Bull Development Goals

These bulls are developed to cover the rugged terrain of Eastern Oregon and the Great Basin and provide multiple years of good service. We are not interested in supplying fat, overfed bulls that melt away in one breeding season.

### Terms & Conditions

Terms are cash. All cattle will sell under the Terms and Conditions as recommended by the American Angus Association. All announcements at the sale made from the auction block will take precedence over statements in the sale book. We reserve the right to withdraw any sale lot not meeting our sale specifications at sale time.

### Liability

All persons attending the sale do so at their own risk. Ankony, nor its staff, accept any liability.

Directions and accommodations on inside back cover.

# ANKONY BUYER PROGRAMS

## **Bull Health Guarantee**

All bulls selling are test-negative for BVD type 1 and 2. It is estimated that 1-5% of the bulls being sold across the country are Persistent Infected (PI) for BVD carriers; at ANKONY this percent is ZERO. PI BVD cattle will cause first trimester abortion and create respiratory challenges in stressed calves. PI infected cattle are often difficult to pinpoint and have significant dollar impact. Consistent with our commitment to biosecurity and herd health, all bulls are sold Trich free.

The ANKONY Holiday Ranch professional herd health program is directed by Dr. Curt Nischelm, DVM.

## **Insurance**

Mortality insurance on your purchase can be obtained from James Danekas, JDA Inc. at time of settlement. All bulls left at the ANKONY Ranch for the wintering program must be insured.

## **Absentee Buyer Support (ABS)**

If you are unable to attend the ANKONY at Holiday Ranch "Performance-Plus" Bull Sale, ANKONY staff will purchase bulls meeting your personal specifications and will guarantee to do this within your budgeted price. Buyers in the ANKONY ABS program must be fully satisfied with their bulls upon delivery.

## **Repeat Buyers**

If you purchased a bull in our 2009 "Performance-Plus" Bull Sale, you'll receive a 5% discount on all your purchases in the 2010 "Performance-Plus" Bull Sale-*our way of saying thanks to past buyers.*

## **Wintering Program**

ANKONY will be more than happy to hold your bulls from sale day until 4/30/10 and deliver to wherever you prefer. Wintering will be at a nominal fee of \$2 per day for feed on your purchases. All bulls taking the wintering program option must obtain Livestock Mortality Insurance.

## **Delivery**

FREE delivery within Oregon and central points in Washington, Idaho, Nevada and California. Delivery will be arranged for all other locations as cost effectively as possible. A \$50 discount if you haul your own bulls by 2/18/10.

## **Herd Health**

All cattle will be accompanied with proper health certificates for immediate shipment to most locations in the United States. Cattle selling to areas requiring testing, tests will be completed before shipment can be made. Only virgin bulls sell. Any trich test requested for out-of-state shipment will be paid by the seller.

## **Semen Test**

All bulls have been semen tested by an accredited veterinarian prior to the sale. All bulls are guaranteed to be fertile.

## **Breeding Guarantee**

Bulls are guaranteed to be sound breeders for the first breeding season, which is defined as 70 days after turnout. This guarantee does not cover death loss.

## **Identification of Cattle**

Ear tags on all sale cattle will correspond to lot numbers in the sale book.

## **Inspection of Cattle**

Sale cattle will be available for inspection at any time after February 11, 2010. Please call ahead if you would like to view the offering prior to the sale.

## **Ultrasound, Scrotal & Yearling Weight Data**

Adjusted yearling weight, scrotal size and ultrasound data on 2009 bulls will be available upon request after 2/1/10. Data is collected by Scott Nash, Southeast Ultrasound. Note: Additional data may slightly change the EPDs and \$Values printed in this sale book.

## **Complete Performance Data**

Available sale day or at your request.

## **Heifer Bull Candidates**

Bulls that have +2.5 BEPD or less and weigh less than 80 lbs. at birth.

## **AM & NH**

Only bulls that are non-carriers for AM or NH will be sold.

## Don't let 'em leave home without one!

If you have calves to market, don't let them leave home without an AngusSource® tag. AngusSource adds value to your Angus-sired feeder cattle and replacement heifers by:

- Guaranteeing Angus genetics
- Verifying source and age
- Opportunity to qualify for Certified Angus Beef® regardless of hide color.

Visit [www.angussource.com](http://www.angussource.com)  
 or call 816-383-5100 for more information.

Top 15% WW, top 25% YW, top 10% \$W. Dam's first calf.

Percentile ranking within the entire Angus breed

**Expected Progeny Difference (EPD)**, is the prediction of how future progeny of each animal are expected to perform relative to the progeny of other animals listed in the database. EPDs are expressed in units of measure for the trait, plus or minus. Interim EPDs may appear on young animals when their performance has yet to be incorporated into the American Angus Association National Cattle Evaluation (NCE) procedures. This EPD will be preceded by an "I", and may or may not include the animal's own performance record for a particular trait, depending on its availability, appropriate contemporary grouping, or data edits needed for NCE.

### PRODUCTION

**Birth Weight EPD (BW)**, expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

**Weaning Weight EPD (WW)**, expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires.

**Yearling Weight EPD (YW)**, expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

### MATERNAL

**Milk EPD (Milk)**, is a predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters compared to daughters of other sires. In other words, it is that part of a calf's weaning weight attributed to milk and mothering ability.

### CARCASS

**Marbling EPD (Marb)**, expressed as a fraction of the difference in USDA marbling score of a sire's progeny compared to progeny of other sires.

**Ribeye Area EPD (RE)**, expressed in square inches, is a predictor of the difference in ribeye area of a sire's progeny compared to progeny of other sires.

### \$VALUE INDEXES

**\$Value indexes** are multi-trait selection indexes, expressed in dollars per head, to assist beef producers by adding simplicity to genetic selection decisions. The \$Value is an estimate of how future progeny of each sire are expected to perform, on average, compared to progeny of other sires in the database if the sires were randomly mated to cows and if calves were exposed to the same environment.

**Weaned Calf Value (\$W)**, an index value expressed in dollars per head, is the expected average difference in future progeny performance for preweaning merit. \$W includes both revenue and cost adjustments associated with differences in birth weight, weaning direct growth, maternal milk, and mature cow size.

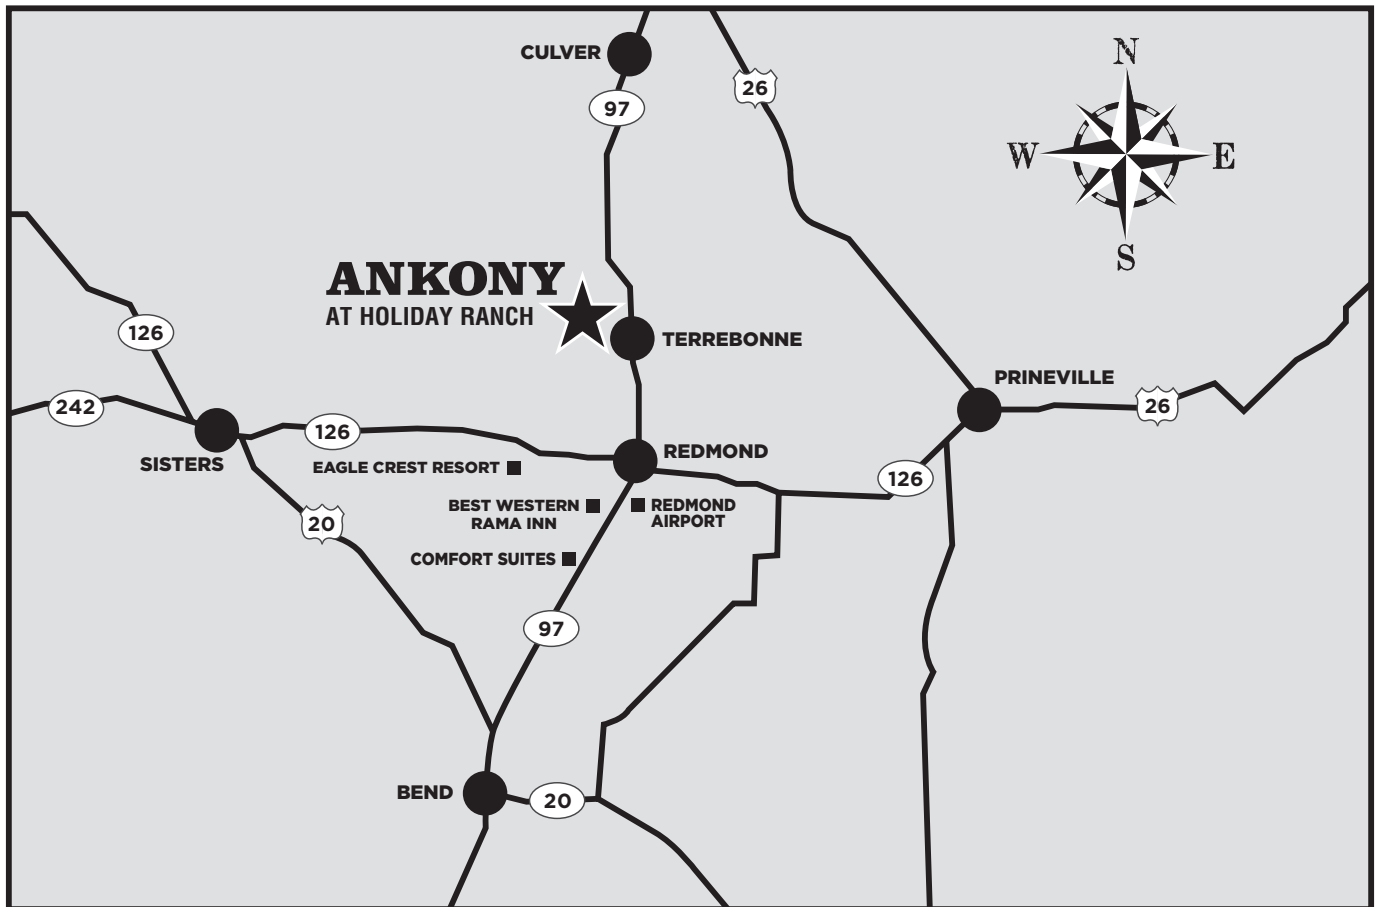

**Feedlot Value (\$F)**, an index value expressed in dollars per head, is the expected average difference in future progeny performance for postweaning merit compared to progeny of other sires.

**Grid Value (\$G)**, an index value expressed in dollars per head, is the expected average difference in future progeny performance for carcass grid merit compared to progeny of other sires.

**Beef Value (\$B)**, an index value expressed in dollars per head, is the expected average difference in future progeny performance for postweaning and carcass value compared to progeny of other sires.

**Updated EPDs will be available on sale day. Current EPDs can be viewed at [www.angus.org](http://www.angus.org)**

# DIRECTIONS & ACCOMMODATIONS

## **Commercial and Private Aircraft**

- Redmond Municipal Airport: 15 minute drive
- Portland International Airport: 2 1/2 hour drive

## **From Bend and Redmond**

Go north on Hwy 97 through Terrebonne; 1/4 mile north of Terrebonne, turn left on Lower Bridge Way (brown highway sign will say "To Crooked River Ranch"). On Lower Bridge Way go 1.75 miles. Watch for the Ankony Ranch sign on the right. Estimated drive time: Bend - 25 minutes, Redmond - 10 minutes.

## **From Portland**

Take Hwy 26 east (Mt. Hood Hwy) for 100 miles. Near Madras Hwy 26 will merge into Hwy 97. Go south on 97, approximately 20 miles. About 2 miles after crossing the Crooked River, watch for Lower Bridge Way (brown highway sign will say "To Crooked River Ranch"). Turn right onto Lower Bridge Way for 1.75 miles. The Ankony Ranch sign will be on the right. Estimated drive time: 2.5 hours.
