COMMENTS FROM THE SALE MANAGER:

On behalf of the American Angus Hall of Fame, it is a pleasure to be working with such a great family and program on their second annual Angus female sale. The Crouch family is dedicated to the Angus business and they had a vision the day they set out to buy one of the top Angus bulls in America; that day, their visit to the Minnesota Bull Test Station changed their program and lives. At the time, they would not have an idea that the bull they purchased, RB Tour of Duty 177, would eventually lead the breed in registrations but their featured Crouch Angus Valley herd sire did just that in the 2016-2017 fiscal year.

This sale not only has the influence of RB Tour of Duty 177 but you will also find the influence of the Lady family. This sale offering is loaded with a great set of females from heifer calves to donors to bred heifers or cow calf pairs. There is no question that the Crouch family has dug deep into their program to offer only the best for this outstanding Angus production sale. The cattle not only have the phenotype but have the paper to propel your program to the next level.

Please plan to be with us on Saturday, September 14, 2019 in Glenwood, Iowa. You can expect a great time by some of the most hospitable hosts you will have the pleasure to be around. We look forward to seeing you there, and if you have any questions please feel free to contact the farm or the American Angus Hall of Fame at (816) 532-0811.

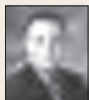

Sincerely,

Tom Burke

Greetings,

We would like to thank you for taking the time to view our offering and we hope you can join us for our 2nd Annual Female Sale on Saturday, September 14. Our sale will take place at our new sale barn located 5 miles northeast of Glenwood, IA. Including in the offering are 30+ females from the proven and highly-productive bloodlines of the Lady family and the Blackcap May family. We've combined these powerful cow families with cutting edge genetics and we believe you'd have to search long and hard to find a more balanced offering. Each young heifer that sells has been tested through genomic evaluation and each of our 4 - 5 year old females have proven themselves in our herd and have graciously produced a female that we will use to replace them.

We'd be remiss if we did not take this opportunity to thank some very important people to our operation, and because our operation is family-based, I want to introduce you to them and their families. Thank you to Clint Madison, his wife Stephanie, and their children Aubrey and Avery. Clint is, without a doubt, the hardest working guy you'll ever meet and is the first guy to arrive and the last guy to leave the farm. Thank you to Corey Madison, his wife Terra, and their children Wyatt, Addie and Ashtyn. Corey is a one-man carpentry crew and some of the things that "we" have built on the farm, Corey actually built. And thank you to Brick Madison and his wife Pam. Brick retired a few years ago from his postal route and since then, has poured more sweat and blood in the operation than all of us combined. Brick is irreplaceable to the farm and if you ever want to see two 60-something year olds act like kids, watch Brick and Skeet work together.

Please feel free to join us Friday evening for dinner and refreshments at the sale barn and then join us on Saturday afternoon for more food, refreshments and females.

Thank you and we look forward to seeing you,

The Crouch Family

Justin & Dena Crouch, Stevie, Skeet & Cody Crouch, Amanda & Josh Crouch

Crouch Angus Valley & Riley Brothers Angus Induction to the American Angus Hall of Fame – RB Tour of Duty 177

SELLING ONE-HALF INTEREST.

This special sale attraction is an elite heifer calf that reads with off-the-chart numbers and is a direct daughter of Jindra Acclaim back to BAF Lady Identity 02-357, who was the featured Lot 1 female and top-selling female in the Crouch Angus Valley Fall Production Sale at \$72,000 going to RCA Cattle in Nebraska City, Nebraska.

CROUCH LADY COWBOY UP 780 - The \$20,000 maternal sister to Lot 1.

Dam has a progeny production record of BR 1@98, WR 1@113, YR 1@110. Crouch Lady Innovation 8157, a maternal sister, was the top-selling \$21,000 half-interest heifer calf of the 2018 fall female sale going to Linz Heritage Angus of Crown Point, Indiana and another maternal sister was the \$20,000 featured Crouch Lady Cowboy Up 780 going to Riley Brothers Angus of Darlington, Wisconsin and Russell Angus Farm, Mound City, Missouri. Maternal brothers to this featured female include Crouch Absolute 7113, the \$10,000 third top-selling bull of the 2018 Crouch Bull Sale going to Brumfield Farms of Michigan; another maternal brother, Crouch Patriot 726, was the \$7,000 feature through the same event going to Marshall & Fenner Farms of Missouri.

CROUCH LADY INNOVATION 8157 - The \$42,000 valued maternal sister to Lot 1.

LADY FAMILY
