Welcome, friends, to our first Back to Grass Sale. This sale is a new part of our program designed to bring strong bulls to our valued customers. These bulls are backed by generations of great cow families. There is also a group of commercial cattle that has been the backbone of our farm for many years. Last, but not least, are registered females listed by household family names - a great start to any herd. Please consider this your personal invitation.

Thank you,

Garret Matteo
