Dear Angus Breeders and Fellow Cattlemen,

The 19th Annual Heart of the Ozarks Angus Association Bull Sale is without question the highest caliber set of bulls ever assembled for this sale. The genetics represented are the very best that the breed has to offer and there are bulls from start to finish in this sale that have the ability to contribute to the bottom line of any breeding program. All of the information possible has been made available to you in this book and if you have any questions please do not hesitate to contact me or the consignors directly and we will be glad to help in anyway that we can. There is not a quicker way to advance your profit margin than investing in a quality registered Angus bull and I hope you will join us on sale day to evaluate this great offering for yourself and then make an investment in your breeding program by purchasing a bull at the Heart of the Ozarks on February 13.

Respectfully,

A handwritten signature in cursive script that reads "Josh Worthington".
