# HOBBS ANGUS

Dear Friends,

We are truly looking forward to 2010. This past year's weather has been trying - mud, snow, rain, cold and more mud. Our cattle have to be the toughest we have ever sold. The Angus cow is the easiest fleshing of any breed, but this year tried her. The only shed they have seen is when they calved for a short time.

Our bulls are a cowman's kind. We culled very deep as you will tell. We are also happy to have Eathington Angus as a guest consignor. We are selling in their backyard and their bulls are really good.

We again feel we give more information than you will receive any place. Bulls are fed a gluton silage ration on a large hillside lot with no shed. They will be ready to go to work.

We again will keep any bull bringing \$2,000 or more free of charge until May 1 and deliver to your farm within a 100 mile radius. We will rebate \$50 to anyone taking their bull home Sale Day and keep the other bulls for \$2.50 a day.

Our Family would like to thank the Fairview Sale Barn and Illini Beef Marketing Service (IBMS) Bob & Jake Fidler and Bev Morrell for all their help. They have a great Sale Barn and client relationship. The two CAB Sales always have the best prices and best cattle. This year over 2,000 head sold on January 10 with buyers and sellers very happy.

Look over the sale book and if you have any questions or would like to inspect the cattle, give us a call.

Come and join us for a complimentary lunch sale day.

Yours for Quality Beef,  
Bud & Deb Hobbs and Family

P. S. We would like to give a special Thank You to our help Marcy and Tim. Also this year, we have a great intern from W.I.U., Jake Patterson.

## Fall Bulls

The following bulls were fed a maintenance ration on grass in 2009. They have grown progressively but are not fat. They will be able to handle a few more cows than the yearling bulls. All are sired by Woodhill Alliance 46P. He is a bull that Rod Campbell and I purchased at the Woodhill Sale that has produced some exceptional females as well as bulls.
