11th Annual Production Sale

Kramers Network 802

Kramers Connection 809

Selling 44 Lots

20 Bulls, 12 Open Heifers, 11 Cows & Frozen Embryos

Saturday, March 28, 2009 • 1:00 p.m.

At the Farm • Farina, Illinois

~ Registered Angus Since 1960 ~

*Welcome to our 11th Annual
Production Sale.
We thank you very much for your interest
in these cattle and our program.*

This year's sale features an outstanding set of bulls, quality replacement and show heifers, and the best set of cow/calf pairs we have sold.

This is a family run operation with an emphasis on producing quality, practical cattle. We take pride in the bulls we produce, and I am very pleased with the positive feedback I have been receiving from customers.

Please take note of the Lot 1 and Lot 2 bulls—they are really outstanding.

We welcome your interest and will make recommendations of these cattle to fit your individual needs.

Tom Burk *Kurt Schaff* *Jeremy Haag*

COMMENTS FROM THE SALE MANAGER

The 11th anniversary of the Kramer Angus Bull and Female Sale features an impressive array of both service-age bulls and promising show heifer prospects, many of which are backed by the time-tested Kramer cow families headlined by the legendary Evergreen Ericas. The greatest bull produced in the history of the Kramer program sells, sired by SAV Net Worth 4200. This power-packed offering is loaded with quality from end to end with a rich heritage from one of the longest and most impressive histories of breeding performance Angus cattle anywhere in the industry.

Plan now to be on hand Saturday, March 28, 2009, for an event you can't afford to miss.

Please don't hesitate to call on us at the American Angus Hall of Fame, if we can be of assistance in any way. We are here to serve.

Sincerely,

Tom Burk

We are offering these options to Bull Buyers

- ◆ Buy your bull during the auction, pay in full on sale day, take the bull home within 3 days, and receive a \$25 discount on each bull you buy.
- ◆ Buy a bull during the auction, pay 1/2 down on sale day, and receive free housing until April 15, 2008. The balance is due when the bull is picked up. You may want to consider purchasing insurance on these bulls.
- ◆ **Volume Discount:** Purchase 3 bulls or more and receive a 5% discount on each bull.

Herd bull material at it's finest. Network is a powerful made bull with the look of a Champion.

He combines the best of Net Worth with the herd bull producing Evergreen Erica cow family. Network's dam is out of the same cow as the dam of KF Precision 361. A maternal brother to Network sold in our 2008 sale to JP Angus, Marshall, IL for \$4,200.

Network is owned with Dameron Angus, Lexington, IL, Kollwood Farms, Minooka, IL, and Dustin Stuckemeyer, Altamont, IL.

SELLING 1/3 INTEREST.

*Before you decide whether or not to use
yearling bulls, consider these facts:*

- You're buying the very best!** Yearling bulls haven't been picked over, and the yearling bulls offered are the very best from their calf-crop at both weaning and yearling times. If they were not the best, they would not be offered to you now.
- Younger bulls are easier on heifers!** And, they are easier on cows, and each other too. Handled and used properly, yearling bulls will work longer for you. You can expect at least one additional year of breeding service from a yearling bull.
- You can usually buy them cheaper!** Yearling bulls often sell for 20% (or more) less total dollars than comparable quality 2-year-old bulls. Plus, you can develop them as you see fit.
- Yearling bulls may not be for everyone!** But, if you can adjust your program to yearling ANGUS bulls, we can offer you better quality bulls with better genetics to sire more pounds for less money and improve your profit potential.

Think about it in terms of dollars and sense.
