TOTAL PACKAGE BULL SALE

Friends,

It is with skeptical optimism that I welcome you to inspect and evaluate this year's sale offering. I have been saying for the past couple of years that cattle numbers were in our favor; however, I am nervous that the government is going to send USDA's bean counters to count the cows.

Our philosophy on cattle remains the same. The cattle have to work to keep the ranch profitable. You have to get them bred and get them alive and convert grass into beef. The cattle industry has taken advantage of cheap feed prices and prospered because of it. The new challengers are here right now. With \$7 corn, we have to get more with less. It is still all about the ability to convert. The added emphasis in this herd is on energy, fleshing ability and the ability to convert is not by accident. Our job is to keep the commercial cattlemen profitable and in business.

We were honored to get on board when Duff's invited progeny from our program to be eligible to help fulfill the growing demand for all-natural premium beef. I am a believer in the all-natural product and am aggressively pursuing easier alternatives for our customers to keep their cattle all natural. Again, thanks to Duffs for this opportunity to increase profits for our customers.

I cannot stress enough the importance of two rounds of shots in order to enhance the marketability of your calves. **Age and Sourcing** needs to be another routine practice. We will be glad to assist you in any way to make these practices easier and more effective.

The fall bulls were run on grass through the summer until late fall, when they were bumped to a high-roughage ration consisting of only 15% corn in November. During the cold weather, around the first of February, we bumped them a little more – up to 20%. The fall bulls are big, stout, sound and ready for heavy service.

All bulls are current on vaccinations, have been wormed, undergone breeding soundness examinations and are ready for service on cows and heifers.

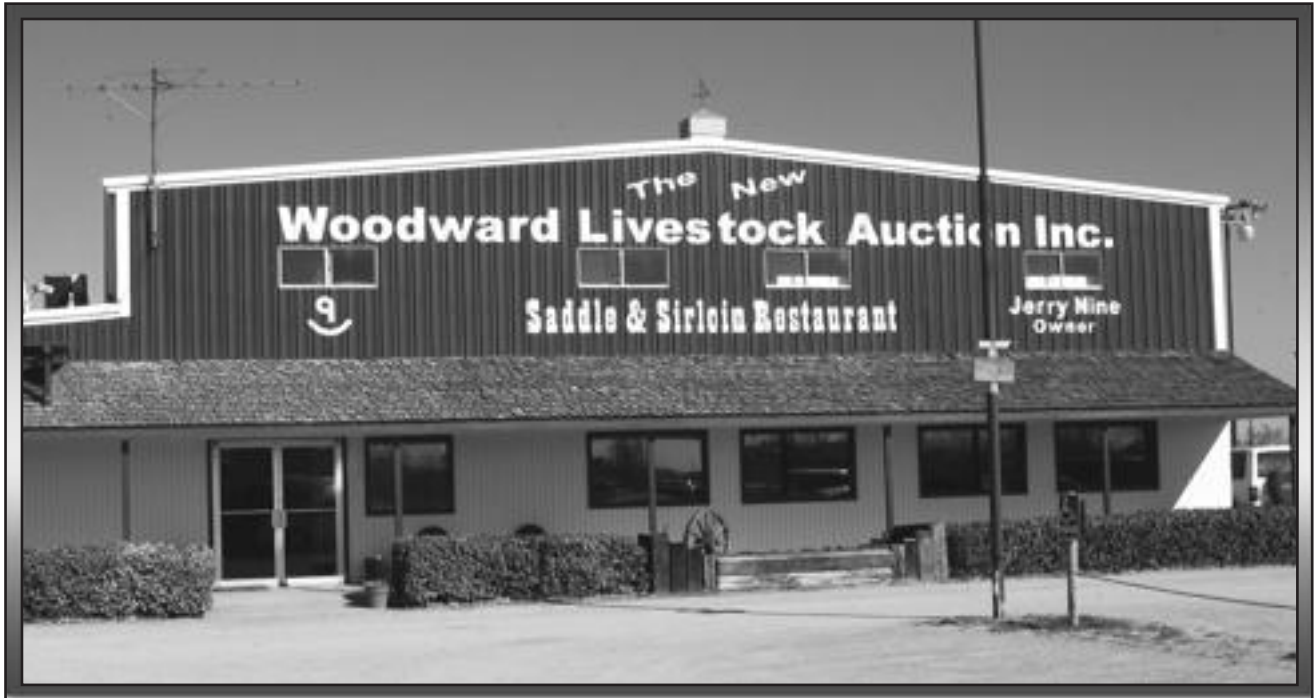

Feel free to call or come by any time. Thank you for your interest in our breeding program.

Most Sincerely,
Ky

LUDDINGTON CATTLE is honored to have been invited by *Premium Natural Beef* to offer the progeny from **TOTAL PACKAGE BULLS** into a **PREMIUM BUY BACK PROGRAM**. Kirk Duff and his family are making it possible for **TOTAL PACKAGE BULL SALE** customers to receive top market prices for their calves, without involving a middle-man or commissions. The demand for high-quality, natural beef is growing at a remarkable speed and the Duffs are pleased that our customers can benefit from helping them to fill that demand. *Premium Natural Beef* is now featured in over 400 retail locations nationwide such as *United Supermarkets, Crest Foods, Jumbo Foods, Braums, Fresh Market* and *Ben E. Keith* stores. The only requirements are that your calves are *IBR* and *Blackleg* vaccinated, and have never received any antibiotics or hormones/steroids throughout the entire life of the calf. For more information, call Ky.

Woodward Livestock Auction

*The **New Woodward Livestock Auction** where “We always do our best and always treat you honest and fair.”*

TOTAL PACKAGE BULL SALE *in conjunction with **New Woodward Livestock Auction** will be hosting special calf sales representing progeny from **TOTAL PACKAGE BULL SALE** customers.*

Sale dates:

October 11 and 14

Special Weaned Calf Sale: November 8 and 11

November 8 Special Bred Heifer section preceding the calf sale

Regular Cow and Bull Sales every Tuesday at 8 a.m.

Regular Feeder/calf sales every Friday at 8 a.m.

*For more information contact Jerry Nine at **New Woodward Livestock Auction** (580) 256-5547 or 1-800 442-5548.*

We are excited to provide the opportunity to bring special attention and premiums to their customers’ quality product through this unique marketing tool.

INTERESTS RETAINED IN BULLS

Please be aware that we are retaining 1/3 revenue sharing semen interest on all bulls. That simply means that we reserve the right to collect semen on that bull. You are purchasing total possession and may handle the bull as you see fit. If we should, at some point, decide that we would like to have semen from that bull, we will come get the bull, take him to be collected and return him to you at a time that is convenient and acceptable to you. Any expenses incurred in this venture will be ours. If you purchase a bull that we have retained interest in and you would like to collect semen for your own use, then the semen and the expense of collecting the bull would be 100% yours.

TOTAL PACKAGE SPRING BULLS
